Which Boards would you like to apply for?

Center 50 Advisory Commission: Submitted

Which of the following City of Salem Board or Commission meetings have you attended? * None**Interests & Experiences****What do you feel you can contribute as a board or commission member?**

I was born and raised in Salem. I returned to the community after a 25-year hiatus to re-join my family who has continued to live, work and contribute to the success of the community. I began my career in retail sales management before transitioning into human resources. Eighteen years ago, with the birth of my daughter, I moved into healthcare. I have been in executive roles for the last 19 years. I currently serve as the vice president of Salem Health Medical Group, a part of Salem Health Hospitals and Clinics. This next year marks my half century of life and I would like to be involved in community efforts that support those who are aging in a way that respects their talents and individuality regardless of income level. When I toured The Center, I was impressed with the mission and vision. They serve a wide variety of individuals and focus on whole health. As a local healthcare leader, this integration is foundational and I look forward to supporting this endeavor to ensure it is here for the next generation.
