What prompted your interest in applying to serve as a board or commission member?

Zach Fischer, current member of the West Salem Redevelopment Advisory Board, picked my interest after several conversations over a period of time.

Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

I have a BA degree with a major in psychology from Willamette University. The schooling provided me with communication skills, listening and speaking. Though I've served on several organizations in the past, I've yet to serve on a redevelopment advisory board. It's something I look forward to doing now as Salem, and in particular, West Salem, grows in population and business opportunities.

List any experience you have with volunteering for the City of Salem or other organizations.

Volunteered with Cottage Grove Chamber of Commerce and Cottage Grove Greeters Committee.

Briefly explain any experience you have working with your neighborhood association or other public bodies or committees.

I have volunteer with impartial GOTV committees in Cottage Grove and Corvallis.

Can you commit to attending a minimum of 75 percent of scheduled meetings? (Please refer to the City's website for the meeting schedule. Failure to meet the attendance requirement may result in removal from office.)
