Interests & Experiences

What do you feel you can contribute as a board or commission member?

I am a member of the National Guard and have deep ties to Law Enforcement through family and friends. I also work as a Private Investigator and work mostly with OPDC Attorneys. I could speak to both sides of the legal system and its various issues. I want to better my community and help find a way to create productive members of society that have had negative experiences with law enforcement and the legal system.

What prompted your interest in applying to serve as a board or commission member?

I often interact with work product of Salem PD officers and would like to have a voice in policy that can help various issues I have seen as well as reinforce positive parts of their work and operations.

Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

As a Private Investigator, I often see how poor policy can effect people charged with crimes. Being someone who is actively serving in the National Guard as well as served in the active duty Army, I have significant experience in policy analysis as well as how policy can effect a paramilitary organization like a police department. I have also served with and am related too a significant amount of law enforcement. This has provided me with a close up view of police work and how it effects the family members of police officers.

List any experience you have with volunteering for the City of Salem or other organizations.

I have no experience volunteering for other City of Salem boards or organizations.

Briefly explain any experience you have working with your neighborhood association or other public bodies or committees.

I have not worked with public organizations, but have significant experience working in church community outreach.

Can you commit to attending a minimum of 75 percent of scheduled meetings? (Please refer to the City's website for the meeting schedule. Failure to meet the attendance requirement may result in removal from office.)
