Interests & Experiences

What do you feel you can contribute as a board or commission member?

As a resident, and business owner who operates two real estate related companies in West Salem, I have a full understanding of how specific development opportunities can impact a community. Being a member of other boards in the community I grasp the importance of weighing conflicting interests and seeing what's best for the community as a whole.

What prompted your interest in applying to serve as a board or commission member?

The West Salem Redevelopment Advisory Board position was brought to my attention by a local colleague. I have been looking for new ways that I can give back to the community I live in and feel I will bring good insight and energy to the board

Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

I have practiced real estate in the greater Salem area for the past 17 years. I also own Windermere Mid-Valley and Northwest Property Management Group. Both serve West Salem and the greater surrounding areas. I understand the impact that redevelopment can have on a community from the wide array of experiences I've garnered from being a broker to both residential and commercial transactions.

List any experience you have with volunteering for the City of Salem or other organizations.

I have been a volunteer board member for the Mid Valley Association of Realtors for the past 7 years and am currently serving as the President of the association. I have sat on multiple committees, including MVAR's Special Events, DEI, Professional Development, and Government Affairs. The committee that has been closest to my heart, is Special Events. We have joined efforts with Salem Keizer Schools and the YMCA to bring holiday cheer to families in need. Even before officially joining a committee or a board, I volunteered my time for this annual holiday event

Briefly explain any experience you have working with your neighborhood association or other public bodies or committees.

Through my volunteer efforts with the Mid Valley Association of Realtor, I have had the opportunity to work with organizations such as the Salem- Keizer School district, the YMCA, and the Salem Dream Center. It is humbling to see how a group of individuals can meet in a room and put into action services that benefit the greater community

Can you commit to attending a minimum of 75 percent of scheduled meetings? (Please refer to the City's website for the meeting schedule. Failure to meet the attendance requirement may result in removal from office.)
