Date: Monday, October 21, 2024 3:54:00 PM

Please find our libraries. It benefits our community more than anything else. It gives our youth a safe, dry, warm place to be when not in school. It's a house of knowledge for all, and creates a community that nothing else can compare to.

We need a full staff so we can have longer hours. There is no reason why Salem should have shorter hours than all these other libraries.

Thank you for your time,
Carlie Lanehart
