**Supplemental Answers:**

**Have you attended a meeting of the Airport Advisory Commission?**

false

**I have served on the following citizen advisory committee, civic, charitable or other organizations (include dates & length of services)**

I served with the Civil Air Patrol based in Salem from 1987 through 1993 and flew in support of search and rescue missions and cadet programs.

**Please briefly explain what you believe you can contribute to the Airport Advisory Commission.**

I have been a licensed pilot based at KSLE since 1987. As a "customer" of the airport for many years and as an interested member of the community, I believe that I can make a positive contribution to the Airport Advisory Commission. Professionally I traveled extensively and have experience with airports throughout the US and the world.

**Do you have a current pilot's license with a rating of private pilot or higher? If yes, do you wish to apply for the commission position requiring a pilot's license?**

Yes. I am currently a licensed private pilot. I'm happy to apply as either a position requiring a pilot's license or one that does not require a license.

**Do you reside in Ward 2? If yes, do you wish to apply for the commission position requiring your residence in Ward 2?**

N/A

**I would like to apply for the commission position representing the Army Aviation Support Facility. Note: This position requires the recommendation of the Adjutant General.**
