What prompted your interest in applying to serve as a board or commission member?

I was encouraged to apply and serve by City Councilors Gwyn and Nordyke and have been seeking the right fit for me. I believe I have found it with the Center 50+ Commission.

Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

I am a senior citizen. My professional life was in the Aerospace industry, The Boeing Company, and I am retired now. I understand and work well with teams to set and accomplish important goals. I have been a volunteer in various capacities most of my life, serving on numerous non-profit boards and many times in role of advocating for the many who are not as comfortable speaking in public. I am currently leading the effort to make important changes on 2 senior-focused projects.

List any experience you have with volunteering for the City of Salem or other organizations.
