### What prompted your interest in applying to serve as a board or commission member?

My coworker, Gretchen Stone, told me that the board was looking for someone with an architect background. Gretchen thought I'd be great because of my art and architecture background. I attended a couple of the meeting and enjoyed my experience. I have been wanting to volunteer and this would be a great opportunity.

**Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.**

---

Being born and raised in Salem, Or, with a BFA, M.ARCH and history minors in both, I have a great base knowledge of art and culture in Salem and abroad. Working in the architectural field in Salem for the past 3 years, I have always been invested in and helping form Salem's future.

**List any experience you have with volunteering for the City of Salem or other organizations.**

---

Growing up, my family and I have volunteered for SAA, the Art Fair, Gilbert house, and more recently the Marion Polk Food Share. I'd like to volunteer on a more consistent basis.

**Briefly explain any experience you have working with your neighborhood association or other public bodies or committees.**

---

I do not have very much experience working with public committees.

**Can you commit to attending a minimum of 75 percent of scheduled meetings? (Please refer to the City's website for the meeting schedule. Failure to meet the attendance requirement may result in removal from office.)**
