4. What prompted your interest in applying to serve as a board or commission member?

I have served on the Revenue Task Force and can say it was one of the best experiences of my life. I love learning how to make this City a better place for all of us to live, and I continue to do so every day I can.

5. Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

Like I said, I served on the Revenue Task Force and can say it was one of the best experiences of my life. I loved learning how to make Salem a better place for all of us to live and I have made lifelong friends doing so. I am an active participant in our community, serving as Vice Chair and Neighborhood Outreach Coordinator for our Neighborhood Association board. I may just be a "stay at home mother", but I work extremely hard to ensure that Salem is the best it can be, however small I may be.
