What prompted your interest in applying to serve as a board or commission member?

I want to be more involved in my community here in Salem, and help improve the environment, living conditions, and the way people feel about the city. It seems like participating in this commission would be a good way to be involved in the city's efforts and contribute my own. I would like to get started being active in public life here.

Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

Art has been a central focus for me since school age. For the last 25 years I've been a 3D Artist and Animator. I was fascinated with my study of public art and art and architecture history during my attendance at the Art Institute of Portland, where I received a BS in Animation.

List any experience you have with volunteering for the City of Salem or other organizations.

I am currently serving on the Advisory Board of the Cheneketa Visual Communications department. I have volunteered at Arches in their warming center and serving breakfast. I also frequently volunteer with Cherry City Roller Derby, I work with them on media technology, video streaming, and announcing at their games.

Briefly explain any experience you have working with your neighborhood association or other public bodies or committees.

This would be my first experience working for a public body.

Can you commit to attending a minimum of 75 percent of scheduled meetings? (Please refer to the City's website for the meeting schedule. Failure to meet the attendance requirement may result in removal from office.)
