Property Tax Exemption Program for
Low-Income Housing Held by
Charitable, Nonprofit Organizations*

Applications must be received at the City of Salem
no later than 4:00 p.m. on
Monday, September 30, 2024

Instructions

The Oregon legislature authorizes a property tax exemption for low-income housing held by charitable, nonprofit organizations.¹ The tax exemption is intended to benefit low-income persons² and is available for qualifying property located in the City of Salem. Specific provisions that govern the City of Salem's Nonprofit Corporation Low-income Tax Exemption Program are provided in the Salem Revised Code Sec. 2.850 to 2.910.

Application guidelines:

- Charitable, nonprofit organizations that provide housing to low-income persons are eligible.
- The organization must be certified by the Internal Revenue Services as a 501(c)(3) or 501(c)(4) (ORS 307.180).
- Organizations must own or have a leasehold interest in the property. In addition, your nonprofit organization can qualify if it participates as the general partner in a limited partnership who owns the property, so long as the nonprofit organization is responsible for the day-to-day management of the property. In this case, the limited partnership must be listed as the owner.
- The site must be able to show that it will be occupied during the eligible tax year by income-eligible households.
- Vacant land intended to be developed as low-income housing is eligible for the exemption provided under this program. **The maximum period for this exemption is 3 years.**
- Applicants who are leaseholders must have a signed leasehold agreement by the application deadline.
- Applications for renewal of existing exemptions must be made annually. Any renewal application for a property that has been previously exempted from taxation will be evaluated on criteria used to grant the original exemption. Applications for each year are due by October 1st to meet the County Assessor's deadline for certification by April 1st.
- Applications for new exemptions will be acted upon by Council within sixty (60) days of the submission deadline to afford owners the opportunity to request exemption from other jurisdictions.
- The application for tax exemption is for property that is, or will be, owned or leased from July 1 through June 30 of the County tax year for which the tax exemption is requested. **If the property changes ownership between July 1 and June 30 of**

¹ ORS 307.540 – 307.548.

² "Low-income persons" are individuals earning 60% or less of the area median income. See attachment A (2024 Income Eligibility Schedule)

the year for which the tax exemption is granted, the applicant must notify the City of Salem of the change in the status so that the continuing eligibility of the property can be evaluated.

- Only the residential portion of property that is used to house low-income people or property that is being held for future development as low-income housing. For example, the commercial space in a mixed-use building would not be eligible for the exemption.
- The City can only grant an exemption for the City's portion of property tax. The property may qualify for complete exemption under this program when governing bodies and service districts representing 51% of the taxes levied on the property have formally agreed to the exemption. For initial applications, it is the owner's responsibility to apply for exemption to other taxing jurisdictions, however the City will provide a letter to other jurisdictions when a property has been granted a City exemption.

Who administers the program?

The City of Salem will administer the program but coordinates closely with the Marion and Polk County's Office of Assessment and Taxation. Please contact Michael Brown at 503-540-2471 or email mbrown@cityofsalem.net with questions.

How to apply?

Submit a complete and accurate application:

1. Complete Sections A through E for the applicant **organization and each property** for which a property tax exemption is being requested.
2. All applications must be signed and **notarized** - Notarization (Section E) is required only for each organization and application, *not each property*.
3. **Applications must include a copy of IRS 501(c)(3) or (4) letter** certifying the applicant organization's eligible charitable nonprofit status. **If the nonprofit organization is a general partner in a limited partnership who owns the property, the nonprofit organization must be responsible for the day-to-day management of the property. In this case, the limited partnership must be listed as the owner.**

For the FY2026 application cycle, applications must be received at the City of Salem no later than 4 p.m., Monday, September 30, 2024. Applications received after the deadline will be returned unopened.

4. **An application fee of \$50 per property is required to apply for this program or to recertify a previously exempted property.**
5. **An inspection fee of \$200 per property is required to apply for this program or to recertify a previously exempted property.** Verification that the property meets the standard of safe and habitable as set forth in SRC 2.870.(a).(5) may occur by any combination of physical inspections performed by staff, City of Salem multi-unit

housing licensing inspection results, Salem Housing Authority voucher inspection results, OHCS streamlining inspection results, or HUD REAC results. All inspection results within 12 months of the date of application are considered in determining compliance. For initial applications on new construction/rehabilitation properties, the City's Certificate of Occupancy may serve as verification of physical compliance for the initial year of exemption. It's the City's policy to reduce the intrusiveness of physical inspections on tenants by utilizing several sources.

- 6. Verifying income eligibility.** City staff will conduct a file review to verify income eligibility for households identified in the unit list (or a percentage thereof).
- a. For properties granted pre-development exemption, the file review will occur upon lease up.
 - b. For properties requesting recertifications, file reviews will take place every third year of exemption (ie. year 3, year 6 and year 9). File reviews that do not support compliance with income eligibility will prompt exemption termination proceedings under SRC 2.910.
