Interests & Experiences

What do you feel you can contribute as a board or commission member?

I think that my perspectives on community building and development, which have been informed by over 25 years of experience in architecture, fine art, and mural painting, can positively add to the conversation about what kind of city Salem wants to be and can be.

What prompted your interest in applying to serve as a board or commission member?

I love this city, and I'd love to be a part of this conversation about art and design going forward.

Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

For the last 25 years I have had a part in shaping my community with architectural design, painting murals, and producing fine art and illustrations.

List any experience you have with volunteering for the City of Salem or other organizations.

I was a founding member of the Mission Street Parks Conservancy, an organization that seeks to preserve and maintain Bush Park and adjacent areas.

Briefly explain any experience you have working with your neighborhood association or other public bodies or committees.

As mentioned above, I was a founding member of the Mission Street Parks Conservancy and served on the board for several years. I have attended neighborhood association meetings, as well as planning commission meetings.

Can you commit to attending a minimum of 75 percent of scheduled meetings? (Please refer to the City's website for the meeting schedule. Failure to meet the attendance requirement may result in removal from office.)
