Supplemental Answers:

**Have you attended a meeting of the Salem Urban Development, Community Services and Housing Commission? If so, how many?**

No.

**Please list any citizen advisory committees, civic, charitable or other organizations upon which you have served including the dates and length of service.**

I have not served as a volunteer on any committees, I have served on and attended committees that have been related to my work. Please see resume

**What do you believe you can contribute to the Salem Urban Development,** I have worked and volunteered in social service agencies in Salem for 8 years, so I bring an on-the-ground perspective. I attend many community meetings and learn about the latest resources, innovative ideas, and data/stories that show unmet needs in our community. I have been attending Housing meetings to learn about what is happening in our community.

**Do you have experience in Project Management? If yes, please provide a brief summary of your experience.**

I have experience managing projects. In my current job, I manage two projects, one related to developmental screenings for children and one related to funding for families in crisis. Both projects have allowed me to involve community partners and streamline processes. I focus on efficient systems that improve outcomes for families. I have experience with project management as a volunteer as well. I have managed a community garden, organized after-school programs for children and am currently organizing a monthly meal for refugees.

**Do you have experience in Affordable Housing? If yes, please provide a brief summary of your experience.**

No.

**Do you have experience in Construction? If yes, please provide a brief summary of your experience.**

No.

**Do you have experience in Economic Development? If yes, please provide a brief summary of your experience.**

No.

**Do you have experience in Budget Review? If yes, please provide a brief summary of your experience.**

No.

**Have you served, in any capacity, with a social service or economic development organization? If yes, please provide a brief summary of your experience.**

I have worked and volunteered in social services agencies for 8 years. Most of my experience was as a case manager, working with families and children who face significant barriers. More recently, my experience is about bringing together partners to work collaboratively to make system change.

**What is your experience in creating policy?**

None.

**What is your experience in research and large document review?**

I have experience researching and reviewing large documents. My experience includes writing college papers. I was also a research assistant on a project where we conducted a needs assessment for a legal resource center, and I wrote the final paper. I enjoy reading and reviewing documents.

**This board reviews large grant applications. Please describe your experience with analyzing grant applications to prioritize and identify needs.**

I have no experience reviewing grant applications, but I have written two successful grant applications.
