This requirement is satisfied by completing and submitting form HUD-50077 CRT-SM, *PHA Certifications of Compliance with PHA Plan, Civil Rights, and Related Laws and Regulations Including PHA Plan Elements that Have Changed*. Form HUD-50077 CRT-SM, *PHA Certifications of Compliance with PHA Plan, Civil Rights, and Related Laws and Regulations Including PHA Plan Elements that Have Changed* must be submitted by the PHA as an electronic attachment to the PHA Plan. This includes all certifications relating to Civil Rights and related regulations. A PHA will be considered in compliance with the certification requirement to affirmatively further fair housing if the PHA fulfills the requirements of §§ 903.7(o)(1) and 903.15(d) and: (i) examines its programs or proposed programs; (ii) identifies any fair housing issues and contributing factors within those programs, in accordance with 24 CFR 5.154; or 24 CFR 5.160(a)(3) as applicable (iii) specifies actions and strategies designed to address contributing factors, related fair housing issues, and goals in the applicable Assessment of Fair Housing consistent with 24 CFR 5.154 in a reasonable manner in view of the resources available; (iv) works with jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; (v) operates programs in a manner consistent with any applicable consolidated plan under 24 CFR part 91, and with any order or agreement, to comply with the authorities specified in paragraph (o)(1) of this section; (vi) complies with any contribution or consultation requirement with respect to any applicable AFH, in accordance with 24 CFR 5.150 through 5.180; (vii) maintains records reflecting these analyses, actions, and the results of these actions; and (viii) takes steps acceptable to HUD to remedy known fair housing or civil rights violations. impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with the local jurisdiction to implement any of the jurisdiction's initiatives to affirmatively further fair housing; and assures that the annual plan is consistent with any applicable Consolidated Plan for its jurisdiction. (24 CFR §903.7(o)).

C.4 Challenged Elements. If any element of the Annual PHA Plan or 5-Year PHA Plan is challenged, a PHA must include such information as an attachment to the Annual PHA Plan or 5-Year PHA Plan with a description of any challenges to Plan elements, the source of the challenge, and the PHA's response to the public.

D. Affirmatively Furthering Fair Housing (AFFH).

D.1 Affirmatively Furthering Fair Housing. The PHA will use the answer blocks in item D.1 to provide a statement of its strategies and actions to implement each fair housing goal outlined in its accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5) that states, in relevant part: "To implement goals and priorities in an AFH, strategies and actions shall be included in program participants' ... PHA Plans (including any plans incorporated therein) Strategies and actions must affirmatively further fair housing" Use the chart provided to specify each fair housing goal from the PHA's AFH for which the PHA is the responsible program participant – whether the AFH was prepared solely by the PHA, jointly with one or more other PHAs, or in collaboration with a state or local jurisdiction – and specify the fair housing strategies and actions to be implemented by the PHA during the period covered by this PHA Plan. If there are more than three fair housing goals, add answer blocks as necessary.

Until such time as the PHA is required to submit an AFH, the PHA will not have to complete section D., nevertheless, the PHA will address its obligation to affirmatively further fair housing in part by fulfilling the requirements at 24 CFR 903.7(o)(3) enacted prior to August 17, 2015, which means that it examines its own programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintain records reflecting these analyses and actions. Furthermore, under Section 5A(d)(15) of the U.S. Housing Act of 1937, as amended, a PHA must submit a civil rights certification with its Annual PHA Plan, which is described at 24 CFR 903.7(o)(1) except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document.

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937, as amended, which introduced the 5-Year and Annual PHA Plan. - Demolition and/or Disposition
- Project-Based Vouchers
- Updating Public Housing Admissions and Continued Occupancy Plan (ACOP) and Housing Choice Voucher Administrative Plan to implement new requirements of the Housing Opportunity Through Modernization Act (HOTMA)

(b) Describe the activities:

Disposition Activities

B.1.b Revisions of Existing PHA Plan Elements

(a) The following PHA Plan elements have been revised by the PHA since its last Five-Year PHA Plan submission:

- Public Housing Demolition / Disposition Activities

(b) Describe the revisions for each element:

Public Housing Demolition / Disposition

Conversion of Public Housing through Section 18 program.

The remaining public housing stock, consisting of 137 units, has been identified as a strong candidate for conversion under the Section 18 Demolition/Disposition program. The plan is to replace these units with more sustainable housing options to better serve the community in the long term.

Phase 1 – 11-4 Multifamily Units – Project # OR011203300 (58 units)

Unit Mix: 42 3-Bedroom, 12 4-Bedroom and 4 5-Bedroom units

Shelton Village
2540-2578 SE Lee St
Salem, OR 97301

HUD approved the disposition of this property in 2024. Shelton Village will be listed for sale at Fair Market Value in 2025. All qualifying residents have received Tenant Protection Vouchers and are currently in the process of relocating. Once all units have been vacated, the property will be listed by our Broker of Record.

Glen Creek Village
1260-1318 Orchard Heights Rd
Salem, OR 97304

Following the sale of Shelton Village, redevelopment of the site at 1260–1318 Orchard Heights Rd will begin. This West Salem location, which currently lacks affordable housing options, consists of over 6 acres but houses only 30 units. The Salem Housing Authority plans to seek HUD approval to demolish this site and replace it with a higher-density development, potentially tripling the number of affordable housing units.

Phase 2 – 11-9 Scattered Sites – Project # OR011203100 (79 Units)

Unit Mix: 20 2-Bedroom, 51 3-Bedroom, and 8 4-Bedroom units

Locations vary around the city of Salem/Keizer.

The Salem Housing Authority plans to replace these scattered site units with more sustainable long-term housing solutions. SHA will offer Tenant Protection Vouchers to eligible residents and is committed to its mission of providing durable, safe, and affordable housing. SHA will follow HUD's guidance under the Uniform Relocation Act and any specific directives from the local HUD Field Office.

Disposition Strategy:

1. Homes determined to be a great fit for affordable first-time homeownership opportunities which meet the following criteria will be offered to qualified families with the existing structure and existing tax lot:
 - a. Location has access to transportation, food, shopping, schools, etc.
 - b. Structure would easily be FHA financeable.
 - c. One or more entities have noted it as ideal for affordable homeownership.

AND:

2. Homes Determined to not be the best fit for affordable homeownership due to:
 - a. Tax Lots are large enough to support new middle housing developments to increase density.
 - b. Home is not an ideal candidate for FHA financing.
 - c. Location is in a food desert, far from transportation options, existing home has created a lack of self-sufficiency options which are generally tied to neighborhood activity outside of SHA control.

At current count, we have classified the homes as follows:

Homes to enter affordable homeownership opportunities as-is = **46 (44 Salem, 2 Keizer)**

Home to enter partnership for the purpose of selling at a reduced rate with the intent to demolish and rebuild. (Increase density and/or repair or replace existing structure) = **33 (31 Salem, 2 Keizer)**

The Salem Housing Authority will partner with Habitat for Humanity. Should Habitat decline participation for any specific property, SHA will issue a Request for Interest to other qualified nonprofit organizations.

Preferences:

Given the limited availability of affordable homeownership opportunities in the Salem/Keizer region, SHA has developed local preference policies to prioritize existing community members and deter institutional investment.

Any partner organization must agree, via a Memorandum of Understanding, to honor the following preferences:

1. **SHA Resident Preference:** Current tenants will have the first right to purchase the homes they occupy. If a home is redeveloped, the original resident will have the first right to return, if eligible.
2. **Community Business & Education Leaders (CBEL) Preference:** First-time homebuyer referrals from CBEL partners who are current renters in neighborhoods where SHA homes are available.
3. **Neighborhood Preference:** First-time homebuyers who are existing renters in the neighborhood where an SHA home is for sale. Eligibility verification will be required.
4. **Habitat for Humanity Homes:** Habitat will apply the same preferences (#1–#3). If no qualified candidates are identified, they will use their own established preference system.

Important facts:

All sales will require a deed restriction that limits income to 120% AMI. We ask that there will be no penalty if the unit is transferred to a verified family member. The intent is opportunity to build generational wealth through homeownership.

Project Based Vouchers

SHA is permitted by HUD regulations to convert a maximum of 20 percent of its Housing Choice Voucher allocation to Project Based Vouchers (PBVs).

In the 2024-2025 Fiscal Year, SHA may, at its discretion, award up to 100 Project-Based Vouchers to projects that meet the requirements outlined in its Housing Choice Voucher Administrative Plan, until the maximum cap is met.

Description of Consistency with PHA Plan

SHA made all required determinations and considered all factors under 24 CFR 983.57 when awarding the PBVs described above. The projects to which the PBVs were awarded are located in census tracts where there are meaningful opportunities for educational and economic advancement, therefore; the award of these PBVs is consistent with the PHA Plan goals of expanding the supply of affordable housing, increasing assisted housing choices, providing improved living environments, and promoting self-sufficiency.

B.1.c Deconcentration Policy

The following is the Salem Housing Authority Deconcentration Policy, as stated in the Admissions and Continued Occupancy Plan (ACOP) effective October 1, 2024:

Deconcentration of Poverty and Income-Mixing

[24 CFR 903.1 and 903.2]

The PHA's admission policy must be designed to provide for deconcentration of poverty and income-mixing by bringing higher income tenants into lower income projects and lower income tenants into higher income projects. A statement of the PHA's deconcentration policies must be included in its annual plan [24 CFR 903.7(b)].

The PHA's deconcentration policy must comply with its obligation to meet the income targeting requirement [24 CFR 903.2(c)(5)].

Developments subject to the deconcentration requirement are referred to as 'covered developments' and include general occupancy (family) public housing developments. The following developments are not subject to deconcentration and income mixing requirements: developments operated by a PHA with fewer than 100 public housing units; mixed population or developments designated specifically for elderly or disabled families; developments operated by a PHA with only one general occupancy development; developments approved for demolition or for conversion to tenant-based public housing; and developments approved for a mixed-finance plan using HOPE VI or public housing funds [24 CFR 903.2(b)].

Steps for Implementation

[24 CFR 903.2(c)(1)]

To implement the statutory requirement to deconcentrate poverty and provide for income mixing in covered developments, the PHA must comply with the following steps:

Step 1. The PHA must determine the average income of all families residing in all the PHA's covered developments. The PHA may use the median income, instead of average income, provided that the PHA includes a written explanation in its annual plan justifying the use of median income.

PHA Policy

The PHA will determine the average income of all families in all covered developments on an annual basis.

Step 2. The PHA must determine the average income (or median income, if median income was used in Step 1) of all families residing in each covered development. In determining average income for each development, the PHA has the option of adjusting its income analysis for unit size in accordance with procedures prescribed by HUD.

PHA Policy

The PHA will determine the average income of all families residing in each covered development (not adjusting for unit size) on an annual basis.

Step 3. The PHA must then determine whether each of its covered developments falls above, within, or below the established income range (EIR), which is from 85% to 115% of the average family income determined in Step 1. However, the upper limit must never be less than the income at which a family would be defined as an extremely low-income family (federal poverty level or 30 percent of median income, whichever number is higher).

Step 4. The PHA with covered developments having average incomes outside the EIR must then determine whether or not these developments are consistent with its local goals and annual plan.

Step 5. Where the income profile for a covered development is not explained or justified in the annual plan submission, the PHA must include in its admission policy its specific policy to provide for deconcentration of poverty and income mixing.

Depending on local circumstances the PHA's deconcentration policy may include, but is not limited to the following:

- Providing incentives to encourage families to accept units in developments where their income level is needed, including rent incentives, affirmative marketing plans, or added amenities
- Targeting investment and capital improvements toward developments with an average income below the EIR to encourage families with incomes above the EIR to accept units in those developments
- Establishing a preference for admission of working families in developments below the EIR
- Skipping a family on the waiting list to reach another family in an effort to further the goals of deconcentration
- Providing other strategies permitted by statute and determined by the PHA in consultation with the residents and the community through the annual plan process to be responsive to local needs and PHA strategic objectives

A family has the sole discretion whether to accept an offer of a unit made under the PHA's deconcentration policy. The PHA must not take any adverse action toward any eligible family for choosing not to accept an offer of a unit under the PHA's deconcentration policy [24 CFR 903.2(c)(4)].

If, at annual review, the average incomes at all general occupancy developments are within the EIR, the PHA will be considered to be in compliance with the deconcentration requirement and no further action is required.

PHA Policy

For developments outside the EIR the PHA will take the following actions to provide for deconcentration of poverty and income mixing:

If any covered development has average incomes outside the Established Income Range (EIR), the PHA may explain or justify the income profile for these developments as being consistent with the furthering two sets of goals: the goals of deconcentration of poverty and income mixing as specified by the statute (bringing the higher income tenants into lower income developments and vice versa); and the local goals and strategies contained in the PHA's Annual Plan. Elements of explanations or justifications that may satisfy these requirements can be found in CFR 903.2(c)(1)(iv).

If SHA determines that a covered development falls outside the HUD EIR, the PHA may skip over families with higher or lower incomes if needed to meet deconcentration requirements.
