Subject: Application for funding under the Environmental and Climate Justice Community Change Grants Program
Date: Sunday, October 27, 2024 2:57:21 PM

Dear Mayor and City Councilors:

I am writing to express my complete support for an Environmental and Climate Justice Community Change Grant application be submitted by the City. Salem has much work to do to become a sustainable and resilient city and will require funding assistance to proceed.

Thank you.
Kim Davis
