Mayor Hoy, City Councilors,

I am concerned regarding appointments of people to more than one board or committee.

I believe Salem city council needs boards and committee people to provide fair representation of citizens of various racial and cultural backgrounds, & various walks of life.

I believe the city needs representation of people based on knowledge and ability to be involved, to serve.

There should be no favoritism.

People should never be appointed to numerous boards or committees as to pack with like-minded individuals.

Appointments of people who haven't ever attended or participated in neighborhood meetings, city events, etc. should be very limited.

Respectfully,

Lorrie Walker
