## Interests & Experiences

**What do you feel you can contribute as a board or commission member?**

---

It begins with my commitment to attend meetings and fully engage advisory board projects. I am interested in expanding access to library materials in the northeast section of Salem. I have library cards for Multnomah County and Denver and follow their programs. I've participated in Literary Arts DELVE seminars and would like to see the library explore starting a similar program.

**What prompted your interest in applying to serve as a board or commission member?**

---

I volunteer at Scott Elementary and am concerned that the disadvantaged children in Northeast Salem do not benefit from the same access to library services as those who live in other parts of the city, particularly West Salem. I have library cards for Multnomah County and Denver and follow their programs. I've participated in Literary Arts DELVE seminars and would like to see the library initiate similar program.

**Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.**

---

Since my retirement following 40 years as a Masters' educated Physician Assistant in pediatrics I worked briefly at the Liberty House. I volunteer in the ASPIRE program at McKay last year and at South this year; at Family Building Blocks; as a reader in SMART; and as a 2 day a week volunteer at Scott Elementary school. I've volunteered at the warming centers for the Community Action Agency in Salem. I frequent museums in Salem, Tacoma, Portland and Denver and enjoy the art at the library, I've camped and hiked extensively in Oregon and been on several Road Scholar trips including rafting the Owyhee, Rogue and Snake Rivers.

Question applies to Salem Public Library Advisory Board

**When did you last visit the Salem Public Library? Tell us about your experience during that visit.**

---

On April 29, 2018, I advised the reference desk about a defective CD. A few weeks earlier I requested acquisition of newly published book by Masha Gessen and today received notice that it is on the reserve shelf ready for me to pickup.

Question applies to Salem Public Library Advisory Board

**In your opinion, what role does the Salem Public Library play in making Salem a livable community?**

---

When I moved to Salem in 1975 the library was the first place I visited. All residents should see something for themselves at the library. The Teen Scene and the Children's section are very important for kids and their families to learn, explore and relax and relate.
