What prompted your interest in applying to serve as a board or commission member?

Marion Polk Food Share has been a long-standing partner with the Center 50+ Senior Center. I would like to continue building the relationship and work together with the Center to provide services to one of the most vulnerable populations, our seniors.

Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

I received my bachelor's degree in public health with a minor in Gerontology. My education helped guide me through the oversight/operational needs and challenges of working in senior living communities. My close interactions with seniors, stemming from 24 years ago when I worked as a caregiver, gives me a unique perspective to advocate for their needs.

List any experience you have with volunteering for the City of Salem or other organizations.

I spent many years volunteering for the Alzheimer's Association with walk organization and fundraising. I have assisted with organizing fundraising events for local causes over the past 15 years. Before starting with the Food Share, I was a volunteer Meals on Wheels driver.

Briefly explain any experience you have working with your neighborhood association or other public bodies or committees.

I have not been a member of a local committee before.

Can you commit to attending a minimum of 75 percent of scheduled meetings? (Please refer to the City's website for the meeting schedule. Failure to meet the attendance requirement may result in removal from office.)
