What do you believe you can contribute to the North Gateway Redevelopment Advisory Board?

I am a newly promoted manager with Salem Electric and as part of our mission we look to encourage the economic and community development of our service territory. I am looking to continue the input that Jeff Lewis provided on the board prior to his retirement announcement.

I wish to apply for the position representing the interests of small and large businesses, property owners, and others with financial or occupational interests within the NGRUA.

I will be representing Salem Electric which serves part of this area.

I wish to apply for the position representing the residential areas within and adjacent to the NGRUA.

I live in a residential area adjacent to this area

I wish to apply for the position representing the Salem community at-large.

Have you attended a meeting of the North Gateway Urban Renewal Advisory Board? If yes, how many?

Not as of yet, I will be attending the next scheduled meeting.
