ORS 457.450

(3) All moneys remaining unexpended from the special fund provided for in ORS 457.435 or 457.440, after payment of all the principal and interest on indebtedness is provided for, shall be turned over to the county treasurer by the agency and prorated by the treasurer back to the taxing districts in which the area, or part thereof, is located, in proportion to the amount of money in the fund attributable to each taxing district for the last fiscal year in which tax levy moneys were paid into the special fund of the agency under ORS 457.435 or 457.440.

Distribution of Remaining Tax Increment Funds Steps:

4(b) Prepare a schedule to allocate for each taxing district that levied within that plan area on the last tax roll any unexpended moneys returned by the agency under ORS 457.450(3) plus any future moneys that otherwise would be distributed for that plan. Allocation percentages must be in proportion to the amounts calculated to be raised from division of tax from each taxing district for that plan on the last tax roll;

4(c) Distribute to the taxing districts based on the schedule prepared under subsection (4)(b) of this rule any money that otherwise would be distributed for that urban renewal plan, or that has been returned by the agency for the plan under ORS 457.450(3);
