What prompted your interest in applying to serve as a board or commission member?

I see daily people who are left by the wayside and treated as less than just because of their appearances and I would like to be part of the team that is working to change that.

Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

I have a master's degree in marriage and family counseling. I worked in a homeless shelter in downtown San Diego doing counseling for their residents for a year and I also worked in a low income school to do school counseling with their kids and the families. I believe that the most important thing that I can contribute to this commission is that I see an innate value in every person no matter their life choices or walks of life.
