Salem City Council:

The priorities of government/including Salem City Council should be safety and protection of citizens.

Instead of concentrating on "urging Oregon's federal delegation to work to protect immigrant communities" (which you really mean ILLEGAL immigrant communities) "from 'unlawful' actions by U.S. Immigration and Customs Enforcement", how about letting them do their lawful job? Taxpayers want criminal illegal aliens out of our community. Please do not put up roadblocks to federal authorities doing their lawful immigration law enforcement duties.

Instead of a proclamation declaring June as Pride Month, how about proclaiming June "Nuclear Family Month" as some communities have? Or proclaiming June as Fidelity Month: promoting dedication to family and patriotism. That is inclusive, non-alienating, and only a positive for our community and traditional values.

I appreciate your consideration in this matter.

Thank you,
K. R. Heuberger
