Summary:

The City of Salem has developed a draft of an updated Salem Area Comprehensive Plan (Comprehensive Plan) and proposed changes to the Comprehensive Plan Map, zoning map, and zoning code to guide future growth and development in Salem. This work is the culmination of a three-year project called Our Salem that has involved extensive community engagement.

Staff will present the work to the City Council and Planning Commission at a joint work session on October 18 and plans to start the adoption process by the end of the year. All of the draft documents can be found online on the Our Salem project page:

<https://www.cityofsalem.net/our-salem>.

Add - Added correct Proposed Zoning Map.

The original attachment to the staff report labeled "Proposed Zoning Map" was actually the "Existing Zoning Map," so the correct Proposed Zoning Map has been added as an attachment and the Existing Zoning Map has been renamed accordingly.
