**Summary:**

The City of Salem and Salem Area Mass Transit District are engaged in several major planning initiatives today, which serve as a new foundation for the future of how our community develops. Each of these major initiatives requires collaboration and coordination to successfully achieve the vision put forward.

At the staff level, routine reports of progress on planning initiatives are shared with planning committees, Salem City Council, and Salem Area Mass Transit District Board. At a governance board level, collaboration toward mutual goals is also occurring on planning committees and at the Salem Keizer Area Transportation Study (SKATS) Policy Committee. Most recently, as part of their adoption of the FY 23 Budget, the Salem City Council added \$150,000 to fund youth bus passes for one year.
