SUBJECT: Request for Salem River Crossing Regional Planning Action

Dear Mr. Hansen:

As you are aware, the City of Salem is working with Oregon Department of Transportation (ODOT) and the Salem-Keizer Area Transportation Study member jurisdictions on the federally required environmental process to identify the preferred location for a new crossing of the Willamette River in the Salem-Keizer area. A preferred alternative was recommended by the Salem River Crossing Oversight Team in February 2014. Since that time, ODOT and its consultant team, led by CH2M, have been analyzing the preferred alternative, the results of which will be documented in the Final Environmental Impact Statement, due to be published in 2017.

The preferred alternative connects the portion of the Urban Growth Boundary (UGB) on the east side of the Willamette River with the portion located west of the river. Bridging this area requires crossing over land that is outside the UGB. Salem is proposing to amend the regional UGB to bring in land required for the transportation project. This amendment would add approximately 35.7 acres to the Salem-Keizer UGB.

The Salem City Council will formally consider initiation of this UGB amendment and associated land use actions in early August. The reason for this letter is to request concurrence in the UGB amendment by Polk County. With your support, our staff will coordinate the approval process with your staff, including a proposed joint public hearing this fall.

Please let me know if you have questions on this request.

Sincerely,

Steve Powers
City Manager

PROGRAM - FUNDED STATE AND LOCAL TASK FORCE AGREEMENT

This agreement is made this 1st day of October, 2016, between the United States Department of Justice, Drug Enforcement Administration (hereinafter "DEA"), and the Salem Police Department (hereinafter "SPD"). The DEA is authorized to enter into this cooperative agreement concerning the use and abuse of controlled substances under the provisions of 21 U.S.C. § 873.

WHEREAS there is evidence that trafficking in narcotics and dangerous drugs exists in the area and that such illegal activity has a substantial and detrimental effect on the health and general welfare of the people of Salem, Oregon, the parties hereto agree to the following:

1. The Salem Resident Office Task Force will perform the activities and duties described below:
 - a. disrupt the illicit drug traffic in the Salem, Oregon area by immobilizing targeted violators and trafficking organizations;
 - b. gather and report intelligence data relating to trafficking in narcotics and dangerous drugs; and
 - c. conduct undercover operations where appropriate and engage in other traditional methods of investigation in order that the Task Force's activities will result in effective prosecution before the courts of the United States and the State of Oregon.
2. To accomplish the objectives of the Salem Resident Office Task Force, the SPD agrees to detail three (3) experienced officers to the Salem Resident Office Task Force for a period of not less than two years. During this period of assignment, the SPD officers will be under the direct supervision and control of DEA supervisory personnel assigned to the Task Force.
3. The SPD officers assigned to the Task Force shall adhere to DEA policies and procedures. Failure to adhere to DEA policies and procedures shall be grounds for dismissal from the Task Force.
4. The SPD officers assigned to the Task Force shall be deputized as Task Force Officers of DEA pursuant to 21 U.S.C. Section 878.
5. To accomplish the objectives of the Salem Resident Office Task Force, DEA will assign four (4) Special Agents to the Task Force. DEA will also, subject to the availability of annually appropriated funds or any continuing resolution thereof, provide necessary funds and equipment to support the activities of the DEA Special Agents and SPD officers assigned to the Task Force. This support will include: office space, office supplies, travel funds, funds for the purchase of evidence and information, investigative equipment, training, and other support items.

6. During the period of assignment to the Salem Resident Office Task Force, the SPD will remain responsible for establishing the salary and benefits, including overtime, of the officers assigned to the Task Force, and for making all payments due them. DEA will, subject to availability of funds, reimburse the SPD for overtime payments made by it to SPD officers assigned to the Salem Resident Office Task Force for overtime, up to a sum equivalent to 25 percent of the salary of a GS-12, step 1, (RUS) Federal employee (currently \$17,753.00), per officer. ***Note: Task Force Officer's overtime "shall not include any costs for benefits, such as retirement, FICA, and other expenses."***

7. In no event will the SPD charge any indirect cost rate to DEA for the administration or implementation of this agreement.

8. The SPD shall maintain on a current basis complete and accurate records and accounts of all obligations and expenditures of funds under this agreement in accordance with generally accepted accounting principles and instructions provided by DEA to facilitate on-site inspection and auditing of such records and accounts.

9. The SPD shall permit and have readily available for examination and auditing by DEA, the United States Department of Justice, the Comptroller General of the United States, and any of their duly authorized agents and representatives, any and all records, documents, accounts, invoices, receipts or expenditures relating to this agreement. The SPD shall maintain all such reports and records until all litigation, claim, audits and examinations are completed and resolved, or for a period of three (3) years after termination of this agreement, whichever is later.

10. The SPD shall comply with Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, as amended, and all requirements imposed by or pursuant to the regulations of the United States Department of Justice implementing those laws, 28 C.F.R. Part 42, Subparts C, F, G, H and I.

11. The SPD agrees that an authorized officer or employee will execute and return to DEA the attached OJP Form 4061/6, Certification Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements. The SPD acknowledges that this agreement will not take effect and no Federal funds will be awarded to the SPD by DEA until the completed certification is received.

12. When issuing statements, press releases, requests for proposals, bid solicitations, and other documents describing projects or programs funded in whole or in part with Federal money, the SPD shall clearly state: (1) the percentage of the total cost of the program or project which will be financed with Federal money and (2) the dollar amount of Federal funds for the project or program.

13. The term of this agreement shall be effective from the date in paragraph number one until September 30, 2017. This agreement may be terminated by either party on thirty days' advance

written notice. Billing for all outstanding obligations must be received by DEA within 90 days of the date of termination of this agreement. DEA will be responsible only for obligations incurred by SPD during the term of this agreement.
