Message	Dear City Council I would like to submit my opposition to Item No. 18-292. I read that it will convert this property to multi-family residential. Which means more apartments in West Salem off of Wallace Road. I find it very ironic that you have this congestion task force to address the serious traffic issues in West Salem, yet you keep allowing property to be rezoned for multi-family use, which will mean more apartments and more traffic. I am not against development, but I am against it when you won't support building infrastructure to support it. Thank you. Tim Hay Ward 8
