Message	<p>To Councilor Tom.Andersen and members of the Salem City Council:. I am very pleased to see the Amendment to the Proposed FY 2020 city budget that provides funds for development of a Climate Action Plan. A Climate Action Plan will foster a coherent approach to greenhouse gas reduction and climate change preparedness, estanlishing clear goals and priorities for action. The need for action on climate change is becoming more and more urgent as is the need for cities and states to step up to the challenge as the US federal government fails to do so. Thank you, Laurie Dougherty Ward 2 resident 350 Salem OR Communications Team</p>
