Mayor's Resiliency Task Force  
Presented to City Council— October 28, 2019

- Resiliency Task Force meeting dates:
  1. Wednesday October 30, 6:00 – 8:00 p.m.
  2. Wednesday November 6, 6:00 – 8:00 p.m.
  3. Wednesday November 13, 6:00 – 8:00 p.m.
  4. If additional meetings are needed dates/times will be established on November 13.
  5. Once the meetings are complete, the actual training process will begin.
- The meetings identified will give the task force an opportunity to confirm and refine the current goals and propose any additional goals.
  1. Evaluate if reaching 50,000 community members over two years is a realistic goal and expectation that can be accomplished.
  2. Identify what training is acceptable to count towards the goal.
  3. Identify and review survey questions that will quantify current and future status of preparedness and methodology for delivering the surveys.
  4. Identify what qualifications are needed for instructors.
  5. Identify how to schedule, plan and deliver the training.
  6. Identify how to market and gain community interest in the training.
- Members of the Task Force include:

City of Salem	Salem-Keizer School District
Oregon Legislature	Oregon Department of Corrections
Corban University	Marion County Emergency Management
American Red Cross	Several other organizations may be represented
- We have commitments from multiple organizations to train their staff:

The above organizations	Oregon State Hospital
Oregon State Hospital	SAIF Corporation
First Tech Federal Credit Union	Salem Health Hospitals and Clinics
Several others are still working to gain approvals.	
- As training is conducted and recorded throughout the community Council will receive regular reports on number of community members trained. This will be followed as the results come in from the secondary survey to identify if people have taken actions.
