Subject: Public Comment on Special Order of Business 5.b. 22-89
Date: Monday, March 14, 2022 3:31:31 PM

Good afternoon, I wish to register public comment in support of Councilor Jose Gonzalez's motion directing staff to create a separate process to obtain speed humps in their neighborhood under alternative criteria. The approach is pragmatic and tailored to provide neighborhoods with much needed additional flexibility in this area. I appreciate the councilor's thoughtfulness in raising the issue and putting forward the motion to help protect our neighborhoods. Kind regards,
