Interests & Experiences**What do you feel you can contribute as a board or commission member?**

I have been a resident of Salem and an attorney in Salem since 1976. I also served as a pro-tem municipal judge from 1986-1990. I am well familiar with the community (both legal; and civic) and with what the job entails and so I feel I bring an experience to the commission that most lawyers may not have.

What prompted your interest in applying to serve as a board or commission member?

I received an email from the Marion County Bar Association.

Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

I have been an attorney for over 45 years. I have chaired legislative task forces, chaired boards. mediated family law cases and settled lawsuits all which required the ability to build consensus from those with different viewpoints. I also have served as a pro-tem municipal judge in Salem for over a decade which makes me uniquely familiar with the position for which pay is being decided. Also, as the former manager of a law firm of 10 employees and as the former President of Temple Beth Shalom, I have been in the position of evaluating pay for employees.

List any experience you have with volunteering for the City of Salem or other organizations.
