It is the specific intention of the Parties that State shall, in all instances, except to the extent Claims arise solely from the negligent or willful acts or omissions of State, be indemnified from and against all Claims caused or alleged to be caused by the contractor or subcontractor.
6. Any such indemnification shall also provide that neither the Agency's contractor or subcontractor nor any attorney engaged by Agency's contractor or subcontractor shall defend any claim in the name of the State of Oregon or any agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. GENERAL PROVISIONS:

1. Termination.
 - a. This Agreement may be terminated by mutual written consent of both Parties.
 - b. This Agreement may be terminated by either Party upon thirty (30) days' notice, in writing, and delivered by certified mail or in person, under any of the following conditions:
 - i. If either Party fails to provide Services called for by this Agreement within the time specified herein or any extension thereof.
 - ii. If either Party fails to perform any of the other provisions of this Agreement or so fails to pursue the Services as to endanger performance of this Agreement in accordance with its terms, and after receipt of written notice fails to correct such failures within ten (10) days or such longer period as may be authorized.
 - c. State may terminate this Agreement effective upon delivery of written notice to Agency, or at such later date as may be established by State, under any of the following conditions:
 - i. If State fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow State, in the exercise of its reasonable administrative discretion, to continue to make payments for performance of this Agreement.

- ii. If Agency fails to provide payment of its share of the cost of the Project.
 - iii. If federal or state laws, regulations or guidelines are modified or interpreted in such a way that either the Services under this Agreement is prohibited or State is prohibited from paying for such Services from the planned funding source.
- d. Any termination of this Agreement shall not prejudice any rights or obligations accrued to the Parties prior to termination.
2. All employers that employ subject workers who perform Services under this Agreement in the State of Oregon shall comply with ORS 656.017 and provide the required workers' compensation coverage unless such employers are exempt under ORS 656.126. Employers Liability insurance with coverage limits of not less than \$500,000 must be included. Both Parties shall ensure that each of its subcontractors complies with these requirements.
3. If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against State or Agency with respect to which the other Party may have liability, the notified Party must promptly notify the other Party in writing of the Third Party Claim and deliver to the other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Each Party is entitled to participate in the defense of a Third Party Claim and to defend a Third Party Claim with counsel of its own choosing. Receipt by a Party of the notice and copies required in this paragraph and meaningful opportunity for the Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to that Party's liability with respect to the Third Party Claim.
4. With respect to a Third Party Claim for which State is jointly liable with Agency (or would be if joined in the Third Party Claim), State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Agency in such proportion as is appropriate to reflect the relative fault of State on the one hand and of Agency on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of State on the one hand and of Agency on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. State's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if State had sole liability in the proceeding.
5. With respect to a Third Party Claim for which Agency is jointly liable with State (or would be if joined in the Third Party Claim), Agency shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by State in such proportion as is appropriate to reflect the relative fault of Agency on the one hand and of State on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement

amounts, as well as any other relevant equitable considerations. The relative fault of Agency on the one hand and of State on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Agency's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if it had sole liability in the proceeding.

6. The Parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.
7. Agency, as a recipient of federal funds, pursuant to this Agreement with the State, shall assume sole liability for Agency's breach of any federal statutes, rules, program requirements and grant provisions applicable to the federal funds, and shall, upon Agency's breach of any such conditions that requires the State to return funds to the Federal Highway Administration, hold harmless and indemnify the State for an amount equal to the funds received under this Agreement; or if legal limitations apply to the indemnification ability of Agency, the indemnification amount shall be the maximum amount of funds available for expenditure, including any available contingency funds or other available non-appropriated funds, up to the amount received under this Agreement.
8. Agency and State are the only Parties to this Agreement and are the only Parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or will be construed to give or provide, any benefit or right, whether directly, indirectly, or otherwise, to third persons unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Agreement.
9. The Parties hereto agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be invalid, unenforceable, illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.
10. This Agreement may be executed in several counterparts (facsimile or otherwise) all of which when taken together shall constitute one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart. Each copy of this Agreement so executed shall constitute an original.
11. This Agreement and attached exhibits constitute the entire agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. No waiver, consent, modification or change of terms of this Agreement shall bind either Party unless in writing and signed by both Parties and all necessary approvals have been obtained. Such waiver, consent, modification or change, if made, shall be effective only in the specific instance and for the specific purpose given. The failure of State to enforce any provision of this Agreement shall not constitute a waiver by State of that or any other provision.

12. Survival. All rights and obligations of the Parties under this Agreement will cease upon termination or expiration of this Agreement, other than the rights and obligations of the parties that by their nature or express terms survive termination or expiration of this Agreement.

THE PARTIES, by execution of this Agreement, hereby acknowledge that their signing representatives have read this Agreement, understand it, and agree to be bound by its terms and conditions.

3. Agency shall gather and prepare data for environmental documents.
4. Agency shall develop access and approach road list.
5. Agency shall help prepare field location and project data as defined in the Project Agreement.
6. Title. Agency shall provide preliminary title reports, if State determines they are needed, before negotiations for acquisition commence.

The preliminary and final versions of the property descriptions and right of way maps must be reviewed and approved by the State.
 - d. Agency shall specify the degree of title to be acquired (e.g., fee, easement), which must be determined in accordance with the current ODOT Right of Way Manual.
8. Hazmat:
 - a. Agency shall conduct a Level 1 Initial Site Assessment, according to State Guidance, within Project limits to detect presence of hazardous materials on any property purchase, excavation or disturbance of structures, as early in the Project design as possible, but at a minimum prior to property acquisition or approved design.

- b. Agency shall conduct a Level 2 Preliminary Site Investigation, according to ODOT's Hazmat Program Procedures Guidebook and other applicable requirements of the Oregon Department of Environmental Quality, of sufficient scope to confirm the presence of contamination, determine impacts to properties and develop special provisions and cost estimates, if the Level 1 Initial Site Assessment indicates the potential presence of contamination that could impact the properties. If contamination is found, Agency will promptly disclose the severity and extent of contamination to State and present a recommendation for remediation to State as set forth in ODOT's Right of Way Manual Section 6.330 paragraph 2.
- c. Agency shall attempt to have the property owner undertake any necessary remediation at the property owner's expense. Other options are set forth in ODOT's Right of Way Manual section 6.330 paragraph 2.b. If Agency undertakes any remediation on the site, Agency will be solely responsible for any liability that may arise from such remediation.

B. Right of Way Phase: State or Agency shall perform the Services outlined in this Section B during the acquisition right of way phase of the Project as identified below. When Services listed under this Section B are performed by Agency, Agency shall charge the Services as right of way expenditures.

1. Right of Way Acquisition:

- a. Right of Way Acquisition is the process of obtaining property necessary for the Project, from negotiation to possession of the property, using various sub-processes including, but not limited to, appraisal, negotiation, condemnation, relocation, title closing, and project related property management related to the potential exercise of eminent domain. The basic requirements for carrying out right of way acquisition for the Project are set forth in this Section B.
- b. When performing the right of way acquisition Services, Agency shall provide State with a monthly status report of the Services.
- c. Title to properties acquired shall be in the name of City of Salem.

Agency's Resolution shall be substantially in the form of Exhibit B, attached hereto and by this reference made a part hereof.

2. Real Property and Title Insurance:

- a. Agency shall determine sufficiency of title (taking subject to). If the Agency acquires any right of way on a State highway, sufficiency of title (taking subject to) shall be determined in accordance with the current ODOT Right of Way Manual, and after obtaining State's concurrence. Agency shall clear any encumbrances necessary to

conform to these requirements, obtain Title Insurance policies as required and provide the State copies of any title policies for the properties acquired.

- c. Agency shall recommend just compensation, based upon a review of the valuation by qualified personnel.

4. Negotiations:

- a. Agency shall tender all monetary offers to landowners in writing at the compensation shown in the appraisal review. Agency shall have sole authority to negotiate and make all settlement offers. When settlements for property acquisitions are made for more or less than the approved just compensation amount, a justification is required. Said statement will include the consideration of any property trades, construction obligations and zoning or permit concessions. If Agency performs this function, it will provide State with all pertinent letters, negotiation records and obligations incurred during the acquisition process.
- b. State and Agency shall determine a date for certification of right of way and agree to cosign the State's Right of Way Certification form. State and Agency agree possession of all right of way is complete prior to advertising for any construction contract, unless otherwise agreed to by Agency and State.
- c. Agency agrees to file all Recommendations for Condemnation (Form 734-3311 and accompanying documents) with the court at least seventy (70) days prior to the right of way certification date if negotiations have not been successful on those properties.

E. Condemnation

1. Agency may offer mediation if the Agency and property owners have reached an impasse.
2. Agency shall perform all administrative functions in preparation of the condemnation process, such as preparing final offer and complaint letters.

F. Transfer of Right of Way to State

When right of way is being acquired in Agency's name, Agency agrees to transfer and State agrees to accept all right of way acquired on the State highway. Agency shall identify the existence of any hazardous materials on or in the property prior to the transfer. The specific method of conveyance will be determined by the Agency and the State at the time of transfer and shall be coordinated by the State's Region Right of Way Manager. Agency agrees to provide the State all information and file documentation the State deems necessary to integrate the right of way into the State's highway system. At a minimum, this includes: copies of all recorded conveyance documents used to vest title in the name of the Agency during the right of way acquisition process, and the Agency's Final Report or Summary Report for each acquisition file that reflects the terms of the acquisition and all agreements with the property owner(s).

G. Transfer of Right of Way to Agency

When right of way is being acquired in State's name, State agrees to transfer and Agency agrees to accept, at no additional cost to the State, all right of way acquired on the Agency's facility, subject to concurrence from the Oregon Transportation Commission and FHWA at the time of the transfer. State shall conduct reporting and provide oversight of Agency's performance of Services under this Agreement, consistent with the Stewardship and Oversight Agreement on Project Assumption and Program Oversight By and Between Federal Highway Administration, Oregon Division and the State of Oregon Department of transportation ("Stewardship Agreement"). The Stewardship Agreement documents the roles and responsibilities of the State with respect to project approvals and responsibilities regarding delivery of the Federal Aid Highway Program, including oversight and reporting requirements related to locally administered projects. The provisions of the Stewardship Agreement are hereby incorporated by reference.

Agreement No. 34345

3. Federal funds under this Agreement are provided under Title 23, United States Code.
4. If State performs work on the Project, State will provide Agency with a preliminary estimate for the cost of State's work. Prior to the start of each Project phase, State will provide an updated estimate of State's costs from that phase to Agency. Such phases generally consist of Preliminary Engineering, Right of Way, Utility, and Construction. Agency understands that State's costs are estimates only and agrees to reimburse State for actual cost incurred per the Terms of this Agreement.
5. Agency shall make all payments for work performed on the Project, including all construction costs, and invoice State for one-hundred (100%) percent of its costs. State shall reimburse approved Agency invoices at the pro-rated federal share of 89.73 percent. State shall invoice Federal Highway Administration (FHWA) and Agency for work provided as part of the Project. Agency agrees to reimburse State for work performed for the project upon receipt of invoice. Failure of Agency to make such payments to State may result in withholding of Agency's proportional allocation of State Highway Trust Funds until such costs are paid. Agency understands that State's costs are estimates only and agrees to reimburse State for the actual amount expended.
6. Agency guarantees the availability of Agency funding in an amount required to fully fund Agency's share of the Project.
7. This Agreement is subject to the terms and provisions of the Local Agency Certification Program Agreement.

9. Indirect Cost Rate.
 - a. As required by 2 CFR 200.331(a)(4), the indirect cost rate(s) for this project at the time the agreement is written is:

Planning and Development	170.69%
Engineering	129.96%
Transportation	141.97%
Operations	169.89%

This rate may change during the term of this Agreement upon notice to ODOT and ODOT's subsequent written approval.

- b. If the approved rate(s) change(s) during the term of this Agreement, Agency shall invoice ODOT using the current indirect cost rate(s) for the project on file with ODOT at the time the work is performed. If Agency does not have approved indirect cost

City of Salem / ODOT
Agreement No. 34345

rate(s) on file with ODOT at the time the work is performed, Agency shall invoice ODOT using a zero percent (0%) rate.

10. Agency Work on this Project:

- a. Agency shall perform the following functional area in which Agency is fully certified and as authorized by the Local Agency Certification Program Agreement:
 - "advertise, bid, and award" the construction contract
- b. While Agency is in the process of transitioning from conditional to full certification, by the terms of this Agreement and for only this Project, Agency is authorized and shall perform as if fully certified in the following functional areas:
 - consultant selection (direct appoint, formal and informal processes)
 - design (excluding bridge design)
 - construction contract administration

Agency understands that this Project is subject to the terms and conditions of the Local Agency Certification Program Agreement and may also be subject to the terms of a corrective action plan and increased monitoring if ODOT's evaluation of Agency's test project(s) or program documents identifies the need for corrective action.

11. State will submit the requests for federal funding to the FHWA. The federal funding for this Project is contingent upon approval of each funding request by FHWA. Any work performed outside the period of performance and scope of work approved by FHWA will be considered nonparticipating and paid for at Agency expense.
12. State's Regional Local Agency Liaison or designee will provide Agency with a written notice to proceed for each phase of the Project when FHWA approval has been secured and funds are available for expenditure on this Project.
13. State considers Agency a subrecipient of the federal funds it receives as reimbursement under this Agreement. The Catalog of Federal Domestic Assistance (CFDA) number and title for this Project is 20.205, Highway Planning and Construction.
14. The term of this Agreement shall begin on the date all required signatures are obtained and shall terminate upon completion of the Project and final payment or ten (10) calendar years following the date all required signatures are obtained, whichever is sooner.
15. If Agency fails to meet the requirements of this Agreement or the underlying federal regulations, State may withhold the Agency's proportional share of Highway Fund distribution necessary to reimburse State for costs incurred by such Agency breach.

16. State may conduct periodic inspections during the useful life of the Project to verify that Project is being properly maintained and continues to serve the purpose for which federal funds were provided.
17. State and Agency agree that the useful life of the Project is twenty (20) years.
18. By signing this Agreement, Agency agrees to comply with the provisions of the Federal Funding Accountability and Transparency Act (FFATA) and is subject to the following award terms: <http://edocket.access.gpo.gov/2010/pdf/2010-22705.pdf> and <http://edocket.access.gpo.gov/2010/pdf/2010-22706.pdf>. If, in the preceding fiscal year, Agency received more than 80% of its gross revenues from the federal government, those federal funds exceed \$25,000,000 annually, and the public does not have access to information about the compensation of executives through reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 or section 6104 of the Internal Revenue Code of 1986, Agency shall report the total compensation and names of its top five executives to State. Agency shall report said information to State within 14 calendar days of execution of this Agreement and annually thereafter, utilizing the FFATA form attached hereto as Exhibit "B".
19. **Americans with Disabilities Act Compliance:**
 - a. **General:** Agency agrees to comply with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 as amended (together, "ADA") as identified in paragraph 1 of the General Provisions section of the Local Agency Certification Program Agreement.
 - b. **ADA Design Standards, Construction Specifications, and Inspections:** Agency agrees to comply with the design and construction standards and the design exception documentation and approval requirements agreed to in the Standards section of the Local Agency Certification Program Agreement. In addition, with respect to ADA-related design standards, design exception approvals, construction specifications, and inspections, Agency agrees to comply with the following:
 - i. For portions of the Project on or along the Oregon State Highway System (state highway), Agency shall apply ODOT's current ADA-related design standards, construction specifications, and design exception documentation and approval requirements for design, construction, or alteration of Project sidewalks, curb ramps, and pedestrian-activated signals, as applicable to the Project, including using the ODOT Highway Design Manual, ODOT Design Exception process, ODOT Standard Drawings, ODOT Construction Specifications, and providing a temporary pedestrian accessible route plan and current ODOT Curb Ramp Inspection form. Agency further agrees to utilize ODOT standards to assess and ensure Project compliance with the ADA, and to document ramp inspections per subsection (c.)(i.) below. Design exceptions on State-owned facilities must be approved by State. For project locations on or along State-

owned portions of the National Highway System ("NHS") design exceptions must be approved by State and/or FHWA.

- ii. For portions of the Project not on or along a state highway, including locally-owned portions of the NHS, Agency shall apply its own ADA-compliant design standards, construction specifications, design exception documentation and approval process, and inspection documentation process, as approved by State and FHWA for use on federally funded projects.
- c. **ADA Inspection Forms:** Prior to issuing the Second Notification, per Oregon Standard Specification 00180.50(g) or Agency's approved equivalent, Agency agrees to submit to State the following:
- i. For all curb ramps constructed or altered as part of this Project on or along a state highway, submit completed ODOT Curb Ramp Inspection Form 734-5020 to the address on the form as well as to State's Regional Local Agency Liaison. The completed form is the required documentation from Agency that each curb ramp meets ODOT standards and is ADA compliant. ODOT's fillable Curb Ramp Inspection Form 734-5020 and instructions are available at the following website:

<https://www.oregon.gov/ODOT/Engineering/Pages/Accessibility.aspx>
 - ii. For all curb ramps not located on or along a state highway, Agency shall complete and keep on file Agency's ODOT- and FHWA-approved ADA curb ramp inspection form (or other approved document) to show that each Project curb ramp meets Agency's curb ramp standards and is ADA compliant or conforms to Agency's approved ADA design exception.
- d. **State inspection:** Agency shall promptly notify State of Project completion and allow State to inspect Project sidewalks, curb ramps, and pedestrian-activated signals, as applicable to the Project, located on or along the state highway prior to acceptance of Project by Agency and prior to release of any Agency contractor.
- e. **Work Zone Access:** Agency shall ensure that temporary pedestrian routes are provided through or around any Project work zone in accordance with the applicable ODOT or Agency Standards, as set forth in subsections (a) through (c) above. For any work zone on or along the state highway, any such temporary pedestrian route shall include directional and informational signs and include accessibility features equal to or better than the features present in the existing pedestrian facility. Agency shall also ensure that advance notice of any temporary pedestrian route on or along the state highway is provided in accessible format to the public, people with disabilities, and disability organizations at least 10 days prior to the start of construction in accordance with ODOT standards and processes.

City of Salem / ODOT
Agreement No. 34345

- f. **Reimbursement:** Unless Agency has an approved design exception, State will only reimburse Agency for work that meets the applicable ODOT or Agency standards as set forth in subsections (a) through (c) above, regardless of whether the work is on a State-owned or an Agency-owned facility.
 - g. **On-going Maintenance Obligation:** Agency shall ensure that any portions of the Project under Agency's maintenance jurisdiction are maintained in compliance with the ADA throughout the useful life of the Project. This includes, but is not limited to, Agency ensuring that:
 - i. Pedestrian access is maintained as required by the ADA,
 - ii. Any complaints received by Agency identifying sidewalk, curb ramp, or pedestrian-activated signal safety or access issues are promptly evaluated and addressed,
 - iii. Agency, or abutting property owner, pursuant to local code provisions, performs any repair or removal of obstructions needed to maintain the facility in compliance with the ADA requirements that were in effect at the time the facility was constructed or altered,
 - iv. Any future alteration work on Project or Project features during the useful life of the Project complies with the ADA requirements in effect at the time the future alteration work is performed, and
 - v. Applicable permitting and regulatory actions are consistent with ADA requirements.
 - h. **Survival:** Maintenance obligations in this section shall survive termination of this Agreement through the useful life of the Project.
20. Agency shall ensure compliance with the Cargo Preference Act and implementing regulations (46 CFR Part 381) for use of United States-flag ocean vessels transporting materials or equipment acquired specifically for the Project. Strict compliance is required, including but not limited to the clauses in 46 CFR 381.7(a) and (b) which are incorporated by reference. Agency shall also include this requirement in all contracts and ensure that contractors include the requirement in their subcontracts.
21. To the fullest extent permitted by law, and except to the extent otherwise void under ORS 30.140, Agency shall require its contractor(s) and subcontractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon, Oregon Transportation Commission and its members, Department of Transportation and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260 (hereinafter, referred to individually and collectively as "Claims"), to the extent such Claims are caused, or alleged to be caused by the negligent or willful acts or omissions of Agency's contractor or any of the officers, agents, employees or

City of Salem / ODOT
Agreement No. 34345

subcontractors of the contractor. It is the specific intention of the Parties that State shall, in all instances, except to the extent Claims arise from the negligent or willful acts or omissions of State, be indemnified for all Claims caused or alleged to be caused by the contractor or subcontractor.

22. Any such indemnification shall also provide that neither Agency's contractor and subcontractor nor any attorney engaged by Agency's contractor and subcontractor shall defend any claim in the name of the State of Oregon or any agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State of Oregon may, at anytime at its election assume its own defense and settlement in the event that it determines that Agency's contractor is prohibited from defending the State of Oregon, or that Agency's contractor is not adequately defending the State of Oregon's interests, or that an important governmental principle is at issue or that it is in the best interests of the State of Oregon to do so. The State of Oregon reserves all rights to pursue claims it may have against Agency's contractor if the State of Oregon elects to assume its own defense.
23. This Agreement may be terminated by mutual written consent of both Parties.
24. State may terminate this Agreement effective upon delivery of written notice to Agency, or at such later date as may be established by State, under any of the following conditions:
- a. If Agency fails to provide services called for by this Agreement within the time specified herein or any extension thereof.
 - b. If Agency fails to perform any of the other provisions of this Agreement, or so fails to pursue the work as to endanger performance of this Agreement in accordance with its terms, and after receipt of written notice from State fails to correct such failures within ten (10) days or such longer period as State may authorize.
 - c. If Agency fails to provide payment of its share of the cost of the Project.
 - d. If State fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow State, in the exercise of its reasonable administrative discretion, to continue to make payments for performance of this Agreement.
 - e. If federal or state laws, regulations or guidelines are modified or interpreted in such a way that either the work under this Agreement is prohibited or if State is prohibited from paying for such work from the planned funding source.
25. Any termination of this Agreement shall not extinguish or prejudice any rights or obligations accrued to the Parties prior to termination.

26. Notwithstanding anything in this Agreement or implied to the contrary, the rights and obligations set out in **Terms of Agreement, paragraphs 15, 16, 19.g-h, 21, 22, 25-29, and 32 of this Agreement** survive Agreement expiration or termination, as well as any provisions of this Agreement that by their context are intended to survive.
27. Agency, as a recipient of federal funds, pursuant to this Agreement with State, shall assume sole liability for Agency's breach of any federal statutes, rules, program requirements and grant provisions applicable to the federal funds, and shall, upon Agency's breach of any such conditions that requires State to return funds to the FHWA, hold harmless and indemnify State for an amount equal to the funds received under this Agreement; or if legal limitations apply to the indemnification ability of Agency, the indemnification amount shall be the maximum amount of funds available for expenditure, including any available contingency funds or other available non-appropriated funds, up to the amount received under this Agreement.
28. State and Agency hereto agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be invalid, unenforceable, illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.
29. Agency grants State or others designated by State the right to enter onto Agency right of way for the performance of duties as set forth in this Agreement.
30. Agency certifies and represents that each individual signing this Agreement has been authorized to enter into and execute this Agreement on behalf of Agency, under the direction or approval of its governing body, commission, board, officers, members or representatives, and to legally bind Agency.
31. This Agreement may be executed in several counterparts (facsimile or otherwise) all of which when taken together shall constitute one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart. Each copy of this Agreement so executed shall constitute an original.
32. This Agreement and the Local Agency Certification Program (Certification Program) Agreement No. 29113, as amended and all attached exhibits constitutes the entire agreement between the Parties on the subject matter hereof. In the event of conflict, the body of this Agreement and the attached Exhibits will control over Project application and documents provided by Agency to State. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. No waiver, consent, modification or change of terms of this Agreement shall bind either party unless in writing and signed by both Parties and all necessary approvals have been obtained. Such waiver, consent, modification or change, if made, shall be effective only in the specific instance and for the specific purpose given. The failure of State or Agency to enforce any provision of this Agreement shall not constitute a waiver by State of that or any other provision. Notwithstanding this

City of Salem / ODOT
Agreement No. 34345

provision, the Parties may enter into a Right Of Way Services Agreement in furtherance of the Project.

33. State's Regional Local Agency Liaison for this Agreement is Kumar Rethnasamy, Transportation Project Leader, ODOT Region 2, Area 3, 455 Airport Road SE, Building B, Salem, Oregon 97301; phone: (503) 986-2692; email: kumar.rethnasamy@odot.state.or.us, or assigned designee upon individual's absence. The Oregon Department of Transportation (ODOT) is required to fulfill a federal requirement for contracting under the Federal Funding Accountability and Transparency Act (FFATA) Subaward Reporting System (FSRS). FFATA reporting is a requirement for subawards (also known as subrecipients) of federal awards in excess of \$25,000,000. Your organization will enter into an agreement with ODOT where the funding source is a federal grant with a subrecipient relationship. Your organization is required to submit the information below to the Oregon Department of Transportation within fourteen calendar days of execution of the Agreement and annually thereafter, if applicable. (See the following page for further details.)

Data Universal Number System (DUNS) number: _____

Executive compensation

Executive compensation information is also required to determine whether or not the following information must be reported in FSRS:

- a. In your organization's previous fiscal year, did your organization receive 80% or more of its annual gross revenue and \$25,000,000 or more in federal procurement contracts, subcontracts, loans, grants, subgrants, cooperative agreements and federal financial assistance awards subject to the Transparency Act? Background on FFATA requirements

The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The intent of the Act is to empower every American with the ability to hold the government accountable for each spending decision. The end result is to reduce wasteful spending in the government. The FFATA legislation requires

Key No. 21879

City of Salem / ODOT

Agreement No. 34345

information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

Definition of compensation

Your organization is considered a subrecipient of federal funds. Unless your organization is exempt, FFATA requires you to report total compensation for each of your five most highly compensated executives for the preceding completed year. Total compensation means the cash and non-cash dollar value earned by the executive during the subrecipient's preceding fiscal year and includes the following: salary and bonus; awards of stock, stock options, and stock appropriation rights; earnings for services under non-equity incentive plans; change in pension value; above-market earnings on deferred compensation which is not tax-qualified; and other compensation as defined in 2 CFR Part 170, Section 170.330(b)(5)(vi).

More detailed information about the FFATA can be found at: <http://edocket.access.gpo.gov/2010/pdf/2010-22705.pdf>
