Supplemental Answers:

Have you attended a meeting of this committee specifically?

True

I have served on the following citizen advisory committees, civic, charitable or other organizations (include dates & length of services)

None in Salem. I currently serve on the board of directors as the treasurer for Willamette West Habitat for Humanity based in Hillsboro. I recently changed employers and am now working in Salem which is also where we have lived for the past 19 years.

Please explain what you believe you can contribute to the advisory board you are interested in serving on. Be brief, but be as specific as possible.

I have 23 years experience in the financial services industry. I have been responsible for establishing and managing to a budget for the company for many years. This would be my first experience working with a public budget.
