I have served on the following citizen advisory committees, civic, charitable or other organizations (include dates & length of services)

City of Salem Human Rights and Relations Advisory Commission - 02/2016-Present (1 year) City of Salem Mayor's International Council - 2015-Present (1 year) Micronesian Islander Community, Chair - January 2014-Present (3 years) Micronesian Islander Community, Secretary - August to December 2013 (4 months) Parents Attending Law School (PALS), Chair - 2014-2016 (2 years)

Please explain what you believe you can contribute to the advisory board you are interested in serving on. Be brief, but be as specific as possible.

As Chair of MIC and PALs, I was heavily involved with the annual budget. I have examined budget requests submitted by our community and from other board members, and provided recommendations on the final budget to the remaining board members. I have listened to our community members request funding for certain programs and projects, discussed the requests with the board, before coming to a final conclusion/recommendation and course of action. My experience with budget review, assessment, and approval make me an ideal candidate with the Citizen Budget Committee. I will work alongside other citizens within the Salem community concerned about the City's budget. Further, I will be able to consult and advise the Salem City Council members on developing and passing a balanced budget that best fit the needs of our community.
