What prompted your interest in applying to serve as a board or commission member?

I have been going to Center 50+ since my retirement, volunteering quite a bit of my time and have found I really like being helpful and would like to serve more.

Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

I am currently the president of the Friends of Center50+ and have served in that position for several years.

List any experience you have with volunteering for the City of Salem or other organizations.

Have been president of the Western Oregon University Emeritus for 2 years which placed me on the board of Trustees. At the current time I am their newsletter editor. I also keep the attendance for the Salem Dream Center, reporting to the Salem Keizer School District. Also volunteering at the Cannon Beach Conference Center is one of my favorite things to do. there I do just about anything they ask of me from cleaning rooms, kitchen work, folding laundry to working on the computer.

Briefly explain any experience you have working with your neighborhood association or other public bodies or committees.

The only experience I have had is with SCAC representing the Friends of Center50+, I have been on the board for several years.

Can you commit to attending a minimum of 75 percent of scheduled meetings? (Please refer to the City's website for the meeting schedule. Failure to meet the attendance requirement may result in removal from office.)
