Interests & Experiences

What do you feel you can contribute as a board or commission member?

I have worked in the Senior Living Industry for over a decade. Most recently serving a non profit community and it's residents. I am passionate about our Seniors rights, and I have spent countless hours advocating for them. I enjoy researching and finding programs that assist them in the ways they need. I am committed to Alzheimer's/ Dementia patients and their families. I am always looking for ways to serve our Seniors in the way they deserve.

What prompted your interest in applying to serve as a board or commission member?

My years of experience in senior living. I feel there is a gap in the resources that are provided to Seniors and their families. I would like to be a part of improving their lives and providing support and resources.

Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

I have served the senior community and their loved ones for over a decade. During this time I have gained a unique perspective. I have been able to assist during the best and worst of times. I believe this experience allows me to look at situations from many angles, and appreciate all involved.
