

**SALEM PARKS AND RECREATION ADVISORY BOARD  
ACTION SHEET**

**April 11, 2019**

**BOARD MEMBER ATTENDEES**

Present: Woody Dukes, David Fridenmaker, Dylan McDowell, Kasia Quillinan, Paul Rice, Micki Varney

Absent: Tony Caito, Diana Dickey, Patty Tipton

**SUBJECT: SPRAB TO MAKE RECOMMENDATION TO CITY COUNCIL ON PROPOSAL TO PROVIDE PARK AND WALK/BIKE/SHUTTLE SERVICES AT WALLACE MARINE PARK**

**ISSUE**

In a motion adopted on March 11, 2019, City Council directed staff to begin implementing the recommended actions identified by the 2018 Congestion Relief Task Force. Among the recommendations contained in its final report to Council, the members of the Congestion Relief Task Force propose the City “provide park and walk/bike/shuttle services at Wallace Marine Park.”<sup>1</sup> This recommendation is hereby submitted to the Salem Parks and Recreation Advisory Board (SPRAB) for counsel and advice to Council.

**DATE OF DECISION**

April 11, 2019

**DISCUSSION**

Concerns by the Board primarily focused around the fact that the gravel lot is highly used by people parking and using the pedestrian bridge and/or the park. Adding a specific use for parking and biking may limit use by regular park users.

Chair Quillinan stated that she doesn't feel there is enough information to make an informed decision.

## **ACTION TAKEN**

**Motion: Chair Quillinan moved that the Board is not expressing approval of the current proposal, but recommends that City Council look into this issue further, and in particular, explore other areas in or out of the park that would not impact recreational uses. Additionally, zoning and 6(f) determination issues need to be addressed. Member Rice seconded.**

**Vote: All members voted in favor of the motion.**
