Supplemental Answers:

Have you attended a meeting of the Salem Housing Advisory Committee? If yes, how many?

No.

Please list the citizen advisory committees, civic, charitable or other organizations upon which you have served including the dates and length of service.

I worked with Foodshift for a month in 2014 providing video work that helped them get a \$15,000 Grant.

What do you believe you can contribute to the Salem Housing Advisory Committee?

Being a rental resident in Salem as well as being interested in my local community, I feel that I can offer a citizens view on rental problems and could help come up with solutions to various housing problems. I would like to help strengthen my community and I feel being part of this committee would give me that opportunity.

What is your understanding of the Salem Housing Authority's purpose and role in the Salem-Keizer community?

The purpose and role of the Salem Housing Authority is to come up with policies and make goals for the communities housing needs, and help assist housing programs and budgets.
