I have been the Chair of the HAC Committee & currently am serving as the Co-Chair of the board

What prompted your interest in applying to serve as a board or commission member?

My work has always involved housing. I previously sat on the board of the Salem-Keizer CDC.

Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

Really pretty much the same as the previous answer.

List any experience you have with volunteering for the City of Salem or other organizations.

Previous 10 year term on the HAC.

Briefly explain any experience you have working with your neighborhood association or other public bodies or committees.

I have not really been able to participate with the local neighborhood association due to the hours of our store, but as previously stated, I have served on this committee previously, along with the SKCDC

Can you commit to attending a minimum of 75 percent of scheduled meetings? (Please refer to the City's website for the meeting schedule. Failure to meet the attendance requirement may result in removal from office.)

☒ Yes ☐ No

Please describe your experience working on housing issues.

I have been in the residential/commercial lending & real estate/property management fields since 1982. My specialty in the commercial lending & real estate world both relate to apartment/manufactured housing parks. I originally served on this committee from approximately 1998 to 2008. I came back to the board in approximately 2012 & originally planned to leave the board after the first term, but the circumstances that created that situation have resolved themselves and I now have the additional time to continue with this board
