Supplemental Answers:

**Have you attended a meeting of the Senior Center Advisory Commission? If yes, how many?**

Yes, 6 times.

**Please list the citizen advisory committees, civic, charitable or other organizations upon which you have served including the dates and length of service.**

I serve as a committee member for the Age-Friendly initiative in Salem. October 2017 - present.

**What do you believe you can contribute to the Senior Center Advisory Commission?**

A fresh perspective from the view of those suffering from and caring for those with Alzheimer's disease, a way to analyze and solve problems from a public-health perspective (I have an MPH), and an aging perspective from someone who is actively involved with the aging and elderly population and spends her life motivating them to adopt healthy habits.
