What prompted your interest in applying to serve as a board or commission member?

My wife and I have been in Salem for about 4 years now. We have been meaning to find ways to get involved in ways that can not only help our community but also in ways that will help us grow as professionals. I looked at a similar role to this a year ago, but there were no vacancies. I revisited the Urban Development webpage and there were a couple opportunities. I figured this would be a great way to get my foot in the door in the community in an area that impacts economic development.

Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

My MBA in Finance has laid the foundation for not only sound business management and entrepreneurship fundamentals, but it has prepared me to collaborate with people to complete projects and find conclusions to problems. I have diverse work experience in hospitality, entertainment, retail pharmacy, banking, corporate strategy, non-profit and entrepreneurship. In addition of 10 years of volunteering for organizations in the Portland-Metropolitan area, I have taken all of these experiences with me to edify the people and business around me.

List any experience you have with volunteering for the City of Salem or other organizations.

Not only have I started my own NPO, I have volunteered for: Financial Beginnings, Children's Cancer Association, Providence Centralia Hospital, Legacy Health Meridian Park, American Cancer Society, Be The Match, Union Gospel Mission, Lake Bible Church, Mt. Hood Kiwanis Camp, and SMART (Start Making A Reader Today).

Briefly explain any experience you have working with your neighborhood association or other public bodies or committees.

I have no experience working with my neighborhood association or public bodies or committees. This will be my first official rodeo.

Can you commit to attending a minimum of 75 percent of scheduled meetings? (Please refer to the City's website for the meeting schedule. Failure to meet the attendance requirement may result in removal from office.)
