### Interests & Experiences

## What do you feel you can contribute as a board or commission member?

---

Over the past 15 years I've worked at Salem Electric I have become familiar with the businesses and residents in the Northgate area. As a board member I will be able to offer insight to programs & services Salem Electric offers members and look for ways to improve the Northgate area.

## What prompted your interest in applying to serve as a board or commission member?

---

My co-worker Chris Kriek will be resigning from the board in June 2018. I want to ensure that Salem Electric continues to be involved on the board and am hoping to fill Chris's position.

## Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

---

One of the 7 cooperative principles is care for community. If I were selected to be on the board I would use my personal experience working with people in the Northgate area to look for ways to strengthen the community by adding growth, marketing businesses within the community, and educating the public. I've been on several boards and recognize the importance of looking for opportunities to improve a business or in this case a neighborhood.

## List any experience you have with volunteering for the City of Salem or other organizations.

---

I was on the Advisory Commission at Center 50+ from 2012-2017. I am currently on the board for the West Salem Business Association, Shangri-La, and chair for the Oregon Rural Electric Cooperative Association's Grassroots Committee.

## Briefly explain any experience you have working with your neighborhood association or other public bodies or committees.

---

I am currently on the board of the West Salem Business Association (WSBA). WSBA's primary objective is to enhance the general welfare of the West Salem community through networking, education, communication and marketing. We meet with local businesses once a month to discuss issues such as traffic, the bridge, and looking for ways to inform the public of goods and services provided in the community and encourage the use of those goods and services.

## Can you commit to attending a minimum of 75 percent of scheduled meetings? (Please refer to the City's website for the meeting schedule. Failure to meet the attendance requirement may result in removal from office.)
