What prompted your interest in applying to serve as a board or commission member?

I currently oversee operations for the Goodwill retail facility in West Salem, and surrounding areas.

Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

Given my previous personal and professional experience I will add a layer of analysis and operational expertise in working with the board to fully realize the potential of the West Salem Urban Renewal Area. I have had years of experience on boards, not in a citizen advisory capacity, but in working for my national fraternity. As a leader and manager I understand the importance of listening and raising awareness around issues of a critical nature. My skill sets will bring additional business and financial acumen as well as sound decision-making skills.

List any experience you have with volunteering for the City of Salem or other organizations.

I have continued active service for my national fraternity, Delta Sigma Phi. I have performed multiple duties on the board. Previously I was the active President for our Alumni Corporation Board. Currently I am the Secretary for the Alumni Corporation Board.

Briefly explain any experience you have working with your neighborhood association or other public bodies or committees.

This board operates with the mandate to guide the Agency Board on issues concerning conservation, rehabilitation, and redevelopment within the West Salem Urban Renewal Area.

Can you commit to attending a minimum of 75 percent of scheduled meetings? (Please refer to the City's website for the meeting schedule. Failure to meet the attendance requirement may result in removal from office.)
