What do you feel you can contribute as a board or commission member?

My interests are aligned with the interests of the citizens and business owners of West Salem. I live in Ward 8 and I own a small commercial office in Ward 8. I have some working knowledge regarding smaller developments as I have closely participated in the development of three small subdivisions and a commercial office.

What prompted your interest in applying to serve as a board or commission member?

Tory Banford informed me of an opening. I participated in the Urban Renewal program for West Salem. I would like to help improve the Edgewater and Cannery Districts of West Salem.

Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

I hold a Bachelor of Arts in Business Administration with a focus on International Business; this degree is from Seattle Pacific University. I am currently a Licensed Principal Broker in the State of Oregon for a small Real Estate brokerage which my wife and I established and own. I have sold Real Estate for approximately seven years and have closed over 150 transactions. I have been closely involved with the development of three small subdivisions including a parcel of land my wife and I own in South Salem which we purchased from the City of Salem surplus inventory. I recently participated in the West Salem Urban Renewal Grant program where I designed and constructed a small office at the SW corner of Patterson and 3rd St in West Salem.
