I am a minority. I have grown up in the Salem area and I am aware of how the demographics have changed especially concerning housing. I am also involved in the industry (Property Management & Real Estate) and I feel that I can contribute because I am involved in both sides.

#### What prompted your interest in applying to serve as a board or commission member?

I have been looking for ways to become more involved in the community. I serve on the Salem Rental Housing Association and I am also planning to join NESCA. I care about the Salem community and would like to improve it.

**Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.**

I have been an industry professional for 8 years. I am bilingual and I am very involved in the Hispanic community. I think there is room for improvement in the City of Salem and we need to have more people representing minority groups. Because I am a licensed real estate broker and a property management, I work one on one with minority members of this community on a daily basis. I understand the housing needs of this community.

**List any experience you have with volunteering for the City of Salem or other organizations.**

I previously volunteered for the West Salem Redevelopment Advisory Board

**Briefly explain any experience you have working with your neighborhood association or other public bodies or committees.**

Besides working with the WSRAB, I do not have any other experience but I am very interested in expanding my experience working with other committees.

**Can you commit to attending a minimum of 75 percent of scheduled meetings? (Please refer to the City’s website for the meeting schedule. Failure to meet the attendance requirement may result in removal from office.)**
