Supplemental Answers:

Have you attended a meeting of the Citizens Advisory Traffic Commission?

One.

Please briefly explain your interest in serving on the Citizens Advisory Traffic Commission.

I am a Board member for NEN and one of our primary issues is traffic and safety.

Briefly describe your experience in transportation planning or traffic engineering.

None except as a driver. Have driven school bus also.

Please describe those skills you have which will assist you in deciding traffic related matters.

I'm reasonable and will listen to both sides of an issue and detail oriented.

Please provide your work or volunteer experience that enhances your ability to serve on the Citizens Advisory Traffic Commission.

30 years as Assistant Registrar at Chemeketa CC. BS in Business Admin from Portland State University
