Hi Bryce,
Thank you for the phone call today regarding Airbnb options.

I support the allowance of no more than 2 people per room with a mirror exception of an infant or minor child and short term stays. I feel that a term of 95 days a year is fair for the home owner to be away from the home and have Airbnb occupants short term.

If the council could positively consider these options I feel that would help the shortage of rooms in the Salem area and build upon the sharing community spirit.

Thank you for the consideration.
