6 without a valid accessory short-term rental license. The City issued license number shall
7 be included on any advertisement or listing.

8 (h) Safety Requirements. Accessory short-term rentals shall conform to the City's
9 Housing Code under SRC Chapter 59.

10 **Section 4.** The following is added to and made a part of the Salem Revised Code, Title III,
11 Chapter 30, as follows:

12 **30.1010. Inspection.** Accessory short-term rentals shall be inspected by the Director at least
13 once every five calendar years. Inspections shall verify:

14 (a) The number of guest rooms; and

15 (b) Conformance with the City's Housing Code, SRC Chapter 59.

16 **Section 5.** The following is added to and made a part of the Salem Revised Code, Title III,
17 Chapter 30, as follows:

18 **30.1100. License Required.**

19 (a) A short-term rental license shall be effective when issued, and shall expire on
20 December 31 of the year it is issued, unless sooner suspended or revoked. The license
21 may be renewed pursuant to SRC 30.055.

22 (b) ~~An accessory~~ short-term rental license shall designate the operator and the property
23 approved under the license. Licenses shall not be transferable to other people or
24 properties.

25 (c) In addition to notification to the applicant as required under SRC 30.050(d) and
26 30.055(e), upon issuance of a short-term rental license and any renewal thereof, the
27 Director shall provide notice that the license has been issued to the neighborhood
28 association whose boundaries include the property. The notice shall include the contact
29 information for the local representative, and a link to the City's website where the contact
30 information is available.

1 **Section 6.** The following is added to and made a part of the Salem Revised Code, Title III,
2 Chapter 30, as follows:

3 **30.1105. Standards.**

4 (a) A short-term rental must conform to the applicable requirements of Title X of the
5 Salem Revised Code, and to all other applicable SRC requirements.

6 **(b) Local Representative.** Operators shall provide a local representative to respond to
7 issues that may arise during the rental term of an accessory dwelling unit short term
8 rental. The local representative shall be:

18 (ii) A safety inspection report completed by a mechanic certified
19 by the National Institute for Automotive Service Excellence (ASE)
20 for the vehicle for hire to be used by the applicant indicating the
21 vehicle is safe for use on public streets.

22 **(b) Review of Application.**

23 (1) No application shall be deemed complete until all of the information required
24 by subsection (a) of this section has been provided and the applicant has paid all
25 fees associated with the license, including a non-refundable application fee.

26 (2) Upon receipt of a complete application, the Director shall conduct such
27 investigation as the Director deems necessary to determine whether the applicant
28 meets the qualifications for the license and whether statements made in the
29 application are true. The Director shall conduct a criminal background check on all
30 applicants for licenses for the following businesses or vocations:

- (A) Dealer in used merchandise;
- (B) Night club;
- (C) Special event;
- (D) Vehicle for hire agency; and
- (E) Vehicle for hire driver.

(c) **Issuance of New License.** A new license shall be granted to the applicant unless:

(1) The applicant made an untrue or incomplete statement on, or in connection with, the application for the license; provided, that if such untrue or incomplete statement was the result of excusable neglect, the applicant may resubmit an application in which such defect is corrected.

(2) The applicant fails to meet all requirements of federal, state and local laws and regulations, including, but not limited to, other permitting or licensing requirements and land use regulations.

(3) The applicant has been convicted of any crime, and the nature of the crime presents a reasonable possibility that the applicant may endanger property or the public health, safety, or welfare. Such Crimes include, but are not limited to , a felony or a misdemeanor involving violence, fraud, dishonesty, coercion, sexual conduct, or the unlawful manufacture or delivery of a controlled substance.

(4) The applicant has, within the ten years immediately preceding the date of the application, violated his or her probation for any crime and such probation violation presents a reasonable possibility that the applicant may endanger property or the public health, safety, or welfare.

(5) The applicant has a history of conduct in connection with any business or vocation engaged in by the applicant that, if continued by the applicant in connection with the business or vocation for which the license is sought, would constitute grounds for suspension or revocation of the license.

(6) The applicant lacks any special knowledge or skill required to perform the licensed activity.

(7) The applicant has an outstanding warrant for his or her arrest.

(8) The applicant has not provided adequate proof of any insurance required by

1 this Chapter.

2 (9) Any plans required by this Chapter for the protection of patrons from fire,
3 explosion, or other emergency do not comply with all applicable federal, state,
4 and local laws and regulations.

5 **(d) Notification to Applicant.**

6 (1) If an application for a new license is approved, the Director shall notify the
7 applicant in writing that the application has been approved. The notice shall
8 contain any conditions placed on the approval and any further requirements the
9 applicant must meet before a license will be issued.

10 (2) If an application for a new license is denied, the Director shall notify the
11 applicant in writing that the application has been denied. The notice shall contain a
12 short and plain statement of the reason for the denial and a statement that the
13 applicant may appeal the denial as set forth in SRC Chapter 20J.

14 **(e) Issuance; Effective Date.**

15 (1) After notice to the applicant, and upon payment of all fees associated with the
16 license and the filing of any proof of required insurance by the applicant, the
17 Director shall issue the license.

18 (2) A license is effective as of the date of issuance.

19 **Section 13.** SRC 30.055 is amended to read as follows:

20 **30.055. Renewal of License.**

21 **(a) Renewals Permitted.** A license may be renewed. An application to renew an
22 existing license shall be submitted not less than thirty days prior to the expiration date of
23 the existing license and shall be accompanied by any non-refundable renewal fees. If an
24 application to renew an existing license is not submitted within such thirty day period, a
25 new license is required.

26 **(b) Application.**

27 (1) An application to renew an existing license shall include the following
28 information, in addition to any other information specifically required elsewhere
29 in this Chapter:

30 ~~(1)~~(A) The applicant's name;

- 1 ~~(2)(B)~~ A copy of the license for which renewal is sought;
- 2 ~~(3)(C)~~ A list of any and all crimes for which the applicant has been
- 3 convicted within the twelve months preceding the date of the renewal
- 4 application, together with the dates and places of such convictions;
- 5 ~~(4)(D)~~ Proof that the applicant has any insurance or bond required by this
- 6 Chapter;
- 7 ~~(5)(E)~~ The signature of the applicant, if a natural person, or otherwise the
- 8 signature of an authorized agent of the applicant, if the applicant is other
- 9 than a natural person.

10 ~~(6) In addition to the information listed above, an application for renewal~~

11 ~~of a vehicle for hire driver license for those drivers operating within a~~

12 ~~transportation network, or an application for a vehicle for hire agency~~

13 ~~license, shall include a current safety inspection report completed by a~~

14 ~~mechanic certified by the National Institute for Automotive Service~~

15 ~~Excellence (ASE) for the vehicle(s) for hire to be used by the applicant~~

16 ~~indicating the vehicle is safe for use on public streets.~~

17 **(2) Accessory Short-Term Rental.** In addition to the information required by

18 paragraph (1) of this subsection, an application for renewal of an accessory short-

19 term rental license shall include the following:

20 **(A) Identification of any changes to the required information from the**

21 **license for the preceding year.**

22 **(B) A copy of the guest registry, required under SRC 30.1005(d), for the**

23 **preceding year.**

24 **(C) Written certification, on a form provided by the Director, attesting to**

25 **conformance with the safety requirements established under SRC**

26 **30.1005(h).**

27 **(3) Short-Term Rental.** In addition to the information required by paragraph (1)

28 of this subsection, an application for renewal of a short-term rental license shall

(A) Identification of any changes to the required information from the license for the preceding year.

(B) A copy of the guest registry, required under SRC 30.1105(c), for the preceding year.

(C) Written certification, on a form provided by the Director, attesting to conformance with parking requirements and the safety requirements established under SRC 30.1105(g).

(4) In addition to the information required by paragraph (1) of this subsection, an application for renewal of a vehicle for hire driver license for those drivers operating within a transportation network, or an application for a vehicle for hire agency license, shall include a current safety inspection report completed by a mechanic certified by the National Institute for Automotive Service Excellence (ASE) for the vehicle(s) for hire to be used by the applicant indicating the vehicle is safe for use on public streets.

(c) Review of Application.

(1) No application to renew an existing license shall be deemed complete until all of the information required by subsection (b) of this section has been provided, and the applicant has paid all fees associated with the application.

(2) Upon receipt of an application to renew an existing license, the Director may make such investigation as the Director deems necessary to determine whether the applicant has conducted the licensed business or vocation in compliance with all federal, state, and local laws and regulations.

(d) Criteria for Renewal of License. An application to renew an existing license shall be granted unless:

(1) The applicant made an untrue or incomplete statement on, or in connection with, the application to renew; provided, that if such untrue or incomplete statement is the result of excusable neglect, the applicant may resubmit an application to renew an existing license within the times provided in this section.

1 (2) The applicant no longer meets all requirements of federal, state, and local laws
2 and regulations, including, but not limited to, other professional licensing regulations
3 and land use regulations.

4 (3) The applicant has been convicted of any crime and the nature of the crime
5 presents a reasonable possibility that the applicant may endanger property or the
6 public health, safety, or welfare.

7 (4) The applicant has an outstanding warrant for his or her arrest.

8 (5) The applicant no longer has the insurance required by this Chapter.

9 (6) The applicant has knowingly maintained or conducted the licensed business
10 or vocation in a manner contrary to the terms of the existing license or contrary to
11 any provision of this Chapter.

12 (7) Any other license or permit required to engage in the business or vocation has
13 been denied, suspended, revoked, or canceled.

14 (8) The applicant has engaged in any behavior or activity that would endanger
15 public health, safety and welfare.

16 **(e) Notification to Applicant.**

17 (1) If an application to renew an existing license is approved, the Director shall
18 notify the applicant in writing that the renewal has been approved. The written notice
19 shall contain any conditions placed on the renewal and any further requirements the
20 applicant must meet as a condition of renewal.

21 (2) If an application to renew an existing license is denied, the Director shall notify
22 the applicant in writing that the renewal has been denied. The written notice shall
23 contain a statement of the reasons for the denial and statement that the applicant may
24 appeal the denial as set forth in SRC Chapter 20J.

25 **(f) Issuance; Effective Date.**

26 (1) After notice to the applicant, and upon payment of all renewal fees and upon
27 filing proof of any required insurance and/or bond by the applicant, the Director shall
28 issue the renewal license.

29 (2) A renewed license is effective as of the expiration date of the prior license.

30 **Section 14.** SRC 37.020 is amended to read as follows:

1 **37.020. Definitions.** As used in this chapter, unless the context otherwise requires:

2 (a) "Hotel" means any structure, or any portion of any structure, which is occupied or
3 intended or designed for transient occupancy for ~~27 days or less~~ than 30 days, for
4 dwelling, lodging, or sleeping purposes, and includes any hotel, inn, ~~tourist home or~~
5 ~~house~~, motel, studio hotel, bachelor hotel, accessory short-term rental, short-term rental,
6 lodging house, rooming house, apartment house, public or private dormitory, fraternity,
7 sorority, public or private club, space in mobile home or trailer parks, or similar structure
8 or portions thereof so occupied, provided such occupancy is for ~~27 days or less~~ than 30
9 days.

10 (b) "Occupancy" means the use or possession, or the right to the use or possession for
11 lodging or sleeping purposes of any room or rooms in a hotel, or space in a mobile home
12 or trailer park or portion thereof.

13 (c) "Operator" means the person who is proprietor of the hotel in any capacity. Where
14 the operator functions through a managing agent of any type or character other than an
15 employee, the managing agent shall also be deemed an operator for the purposes of this
16 ordinance and shall have the same duties and liabilities as the operator. Compliance with
17 the provisions of this ordinance by either the operator or the managing agent shall be
18 considered to be compliance by both.

19 (d) "Person" means any individual, firm, partnership, joint venture, association, social
20 club, fraternal organization, fraternity, sorority, public or private dormitory, joint stock
21 company, corporation, estate, trust, business trust, receiver, trustee, syndicate, or any
22 other group or combination acting as a unit.

23 (e) "Cash accounting" means the operator does not enter the rent due from a transient on
24 the operator's records until rent is paid.

25 (f) "Accrual accounting" means the operator enters the rent due from a transient on the
26 operator's records when the rent is earned whether or not it is paid.

27 (g) "Rent" means the consideration charged, whether or not received by the operator, for
28 the occupancy of space in a hotel valued in money, goods, labor, credits, property, or
29 other consideration valued in money, without any deduction.

30 (h) "Rent package plan" means the consideration charged for both food and rent where a

1 single rate is made for the total of both. The amount applicable to rent for determination
2 of transient room tax under this ordinance shall be the same charge made for rent when
3 consideration is not a part of a package plan.

4 (i) "Transient" means any individual who exercises occupancy or is entitled to
5 occupancy in a hotel for a period of less than 27-30 consecutive calendar days ~~or less~~,
6 counting portions of calendar days as full days. The day a transient checks out of the
7 hotel shall not be included in determining the 27-day occupancy period if the transient is
8 not charged rent for that day by the operator. Any such individual so occupying space in
9 a hotel shall be deemed to be a transient until ~~the~~ a period of 27-29 days has expired
10 unless there is an agreement in writing between the operator and the occupant providing
11 for a longer period of occupancy. In determining whether a person is a transient,
12 uninterrupted periods of time extending both prior and subsequent to the effective date of
13 this ordinance may be considered. A person who pays for lodging on a monthly basis,
14 irrespective of the number of days in such month, shall not be deemed a transient.

15 (j) "Tax" means either the tax payable by the transient, or the aggregate amount of taxes
16 due from an operator during the period for which the operator is required to report his
17 collections.

18 **Section 15.** SRC 37.060 is amended to read as follows:

19 **37.060. Exemptions.** No tax imposed under this Chapter shall be imposed upon:

20 (a) Any occupant for more than 27-29 ~~successive~~ consecutive calendar days (a person
21 who pays for lodging on a monthly basis, irrespective of the number of days in such
22 month, shall not be deemed a transient);

23 (b) Any occupant whose rent is of a value less than \$2 per day;

24 ~~(c) Any person who rents a private home, vacation cabin, or like facility from any owner
25 who rents such facilities incidentally to his own use thereof;~~

26 ~~(d)~~ (c) Any occupant whose rent is paid for a hospital room or to a medical clinic,
27 convalescent home, or home for aged people.

28 ~~(e)~~ (d) An employee of the federal government or an instrumentality of the federal
29 government traveling on official business provided documentation of official travel
30 authorization is presented to the operator;

- 1 ~~(f)~~(e) A foreign diplomat upon presentation of a valid diplomatic tax exemption card; or
2 ~~(g)~~(f) Any person housed through an emergency shelter or disaster program where the
3 rent is paid with government assistance funds.

4 **Section 16.** SRC 59.010 is amended to read as follows:

5 **59.010. Definitions.** Except where the context otherwise specifically requires, as used in this
6 Chapter, the following mean:

- 7 **(a)** Accessory Structure means any structure not intended for human occupancy.
8 Accessory structures may or may not be attached to a residential structure. Examples of
9 accessory structures include, but are not limited to: garages, carports, sheds, playhouses,

13 structure containing three or more dwelling units.

14 (3) Homeless Shelter means a facility operated by a non-profit corporation where
15 residence is provided to persons needing emergency shelter on a daily or weekly
16 basis, and where individual bath and cooking facilities may be provided. As used
17 in this Chapter, homeless shelters do not include residential homes or adult foster
18 homes.

19 (4) Hotel or Motel means any residential structure containing three or more guest
20 rooms where the period of occupancy ~~does not exceed~~ is less than thirty
21 consecutive days.

22 (5) Manufactured Dwelling means the following types of dwellings units.
23 Manufactured Dwelling does not include any dwelling unit identified as a
24 recreational vehicle by the manufacturer:

25 (A) Residential Trailer means a structure constructed for movement on
26 the public highways that has sleeping, cooking, and plumbing facilities,
27 that is intended for human occupancy, that is being used for, or is intended
28 to be used for, residential purposes, and that was constructed before
29 January 1, 1962.

30 (B) Mobile Home means a structure constructed for movement on the

1 public highways that has sleeping, cooking, and plumbing facilities, that is
2 intended for human occupancy, that is being used for, or is intended to be
3 used for, residential purposes, and that was constructed between January
4 1, 1962, and June 15, 1976, and met the construction requirements of
5 Oregon mobile home law in effect at the time of construction.

6 **(C)** Manufactured Home means a structure constructed for movement on
7 the public highways that has sleeping, cooking, and plumbing facilities,
8 that is intended for human occupancy, that is being used for, or is intended
9 to be used for, residential purposes, and that was constructed in
10 accordance with federal manufactured housing construction and safety
11 standards and regulations.

12 **(D)** Park Model means a recreational home primarily designed as
13 temporary living quarters for recreation, camping or seasonal use. A park
14 model is built on a single chassis and mounted on wheels.

15 **(6)** Residential Care Facility means any facility that provides, for six or more
16 socially dependent individuals or individuals with physical disabilities, residential
17 care in one or more residential structures on contiguous properties.

18 **(7)** Residential Home means a facility that provides, for five or fewer unrelated
19 individuals with developmental or physical disabilities, residential care in one or
20 more residential structures on contiguous properties

21 **(8)** Retirement Apartment means any residential structure or portion of a
22 residential structure containing three or more dwelling units, the majority of
23 whom are occupied or held out to be occupied by persons sixty-five years of age
24 or older.

25 **(9)** Room and Board Facility means any facility which has three or more beds
26 offered for rent or lease. As used in this Chapter, room and board facilities do not
27 include residential homes or adult foster homes.

28 **(10)** Single-Family Dwelling means a residential structure containing one
29 dwelling unit.
30

1 **(11)** Two-Family Dwelling means a residential structure containing two
2 dwelling units, also known as a “duplex.”

10 pipes, garbage or disposal units, waste lavatories, bathtubs, shower baths, installed
11 clothes-washing machines or other similar equipment, catch basins, drains, vents, or other
12 similarly supplied fixtures, together with all connections to water, gas, sewer, or vent
13 lines.

14 (bb) Residential structure means a structure or building designed, built or intended to be
15 used for human habitation.

16 (cc) Sink means a fixed basin connected to hot and cold running water and a drainage
17 system and used primarily for the preparation of food and the washing of cooking and
18 eating utensils.

19 (dd) Sleeping Room means any room designed, built, or intended to be used as a
20 bedroom as well as any other room used for sleeping purposes.

21 (ee) Toilet Compartment means a room containing only a toilet or only a toilet and
22 lavatory.

23 **Section 17.** SRC 59.235 is amended to read as follows:

24 **59.405. Exempt Properties.** The following properties and dwelling classifications are exempt
25 from the licensing requirements set forth in this Chapter:

26 (a) Any bona fide hospital or clinic where sick or injured persons are kept for medical
27 treatment.

28 (b) Any nursing home.

29 (c) Any place which would otherwise be deemed a multi-family dwelling which is
30 owned or operated by a religious, fraternal, charitable, or other nonprofit organization

1 and which is inspected pursuant to the requirements of the Federal Housing and Urban
2 Development Department (HUD).

3 (1) In order for a religious, fraternal, charitable, or other nonprofit organization to
4 qualify for an exemption under this subsection, the nonprofit organization shall
5 file written confirmation that each unit of the multi-family dwelling has been so
6 inspected by Federal Housing and Urban Development Department (HUD) within
7 the past five years. This written confirmation shall be filed with the Inspector on
8 or before January 1 of each calendar year and shall be accompanied by a copy of
9 the completed HUD inspection report.

10 (2) A listing of all multi-family dwellings, their respective addresses and any
11 changes in their rental status shall be attached to the written confirmation.

12 (d) Any adult foster home.

13 (e) Any residential care facility.

14 (f) Any residential home.

15 (g) Any short-term rental, as defined under SRC 111.095(e).

16 **Section 18.** SRC 111.005 is amended to read as follows:

17 **111.005. "A" Definitions.**

18 (a) Abutting: Touching along a boundary or point.

19 (b) Accessory building or structure: A building or structure that is incidental and
20 subordinate to, and dependent upon, the principal use on the same premises.

21 (c) Accessory short-term rental: A type of short-term rental which is operated as an
22 accessory use to a Household Living use where a resident family rents guest rooms
23 within their dwelling unit, or a guest house if applicable, when they are present as hosts,
24 or rents their entire dwelling unit, including a guest house if applicable, during periods of
25 time when they are away, to overnight guests on a daily or weekly basis for periods of
26 less than 30 consecutive days.

27 ~~(e)~~(d) Adjacent: Near or close, but not necessarily contiguous with.

28 ~~(d)~~(e) Adjoin: To abut.

29 ~~(e)~~(f) Adult day care home: Day care for 5 or fewer adults provided in the home of the
30 adult day care provider.

- 1 ~~(f)~~(g) Adult day care center: Day care for adults in a non-residential structure.
- 2 ~~(g)~~(h) Alley: A public way not less than 10 feet and not more than 20 feet in width that is
- 3 primarily used as a secondary means of motor vehicle access to abutting property.
- 4 ~~(h)~~(i) Ambulance service facility: A building used for the administrative offices of an
- 5 ambulance service, the housing of emergency medical personnel, and the ordinary
- 6 maintenance and repair of emergency vehicles and equipment.
- 7 ~~(i)~~(j) Ambulance station: A building, or a specific portion of a building or development,
- 8 that is utilized for the housing of on-call emergency medical ambulance personnel.
- 9 ~~(j)~~(k) Apartment: A building that contains three or more dwelling units and which is
- 10 designed, built, rented, leased, let or hired out to be occupied, or which is occupied as the
- 11 home or residence of three or more families living independently of each other and doing
- 12 their own cooking in the said building; or a building in condominium ownership
- 13 containing three or more dwelling units.
- 14 ~~(k)~~(l) Arcade: A continuous covered arched passageway located parallel to a building,
- 15 street, or open space, and open and accessible to the public.
- 16 ~~(l)~~(m) Arterial street: A major arterial street or minor arterial street.

17 **Section 19.** SRC 111.010 is amended to read as follows:

18 **111.010. “B” Definitions.**

- 19 ~~(a)~~ ~~Bed and breakfast: A single family dwelling where short-term commercial lodging~~
- 20 ~~and a morning meal are provided to travelers for compensation.~~
- 21 ~~(b)~~(a) Buildable width: The distance along the street right-of-way, exclusive of side
- 22 setbacks, wetlands, and riparian corridors, that is sufficiently deep to accommodate a lot
- 23 depth of 70 feet and meet setback requirements. Where a development fronts on a street
- 24 which is curved, the buildable width shall be measured radial to the curve.
- 25 ~~(e)~~(b) Building: Any structure used or intended for supporting or sheltering any use or
- 26 occupancy.
- 27 ~~(d)~~(c) Building articulation: Design emphasis given to walls, roofs, windows,
- 28 balconies, entries, and other architectural features to divide buildings into smaller
- 29 identifiable pieces, reduce the appearance of building bulk and mass, provide visual
- 30 interest, and introduce elements of scale.

1 ~~(e)~~(d) Building Official: The Administrator of the Building and Safety Division of the
2 Department of Community Development of the City of Salem, Oregon, or the Building
3 Official's designee.

4 ~~(f)~~(e) Building offset: A change in vertical planes along the exterior facade of a building
5 used to divide the building into smaller identifiable pieces and reduce the appearance of
6 building bulk and mass. An offset that does not continue the entire length of the building,
7 and therefore, configured as a "bump out," counts as one building offset. Decks or covers
8 over entryways do not count as building offsets.

9 ~~(g)~~(f) Building offset interval: The space between building offsets.

10 **Section 20.** SRC 111.090 is amended to read as follows:

11 **111.090. "R" Definitions.**

12 (a) Recreational vehicle:

13 (1) A vehicle, with or without motive power, that is designed for sport or
14 recreational use, or human occupancy on an intermittent basis, such as motor
15 homes, off-road vehicles, dune buggies, boats, snowmobiles, and other similar
16 vehicles; or

17 (2) A portable vehicular structure designed for sport or recreation use, or for
18 human occupancy on an intermittent basis, that is capable of being towed or
19 transported on the highway by a motor vehicle, such as travel trailers, fifth-wheel
20 trailers, campers, and other similar portable vehicular structures.

21 (b) Recycling depot: A building, or portion thereof, not more than 1,000 square feet in
22 floor area used for the collection, sorting, and temporary storage of waste and discarded
23 materials which may be reprocessed elsewhere into usable raw materials. Recycling
24 depot does not include a structure maintained solely to provide shelter for no more than
25 three types of recyclable material, such as paper, tin cans, and bottles, deposited by
26 members of the public and collected at regular intervals for further transfer or processing
27 elsewhere.

28 (c) Resident family: A family who occupies a dwelling unit as their primary residence
29 on a non-transient long-term basis for 30 or more consecutive days. A resident family
30 must be either the owner or the tenant of the dwelling unit.

1 ~~(e)~~(d) Residential Facility: As defined under ORS 197.660, a residential care, residential
2 training, or residential treatment facility, as those terms are defined in ORS 443.400, that
3 provides residential care alone or in conjunction with treatment or training or a
4 combination thereof for 6 to 15 individuals who need not be related. Staff persons
5 required to meet licensing requirements shall not be counted in the number of facility
6 residents, and need not be related to each other or to any resident of the residential
7 facility.

8 ~~(d)~~(e) Residential Home: As defined under ORS 197.660, a residential treatment or
9 training home, as defined in ORS 443.400, a residential facility registered under ORS
10 443.480 to 443.500, or an adult foster home licensed under ORS 443.705 to 443.825 that
11 provides residential care alone or in conjunction with treatment or training or a
12 combination thereof for 5 or fewer individuals who need not be related. Staff persons
13 required to meet licensing requirements shall not be counted in the number of facility
14 residents, and need not be related to each other or to any resident of the residential home.

15 ~~(e)~~(f) Residential trailer: A structure constructed for movement on the public highways
16 that has sleeping, cooking, and plumbing facilities, that is intended for human occupancy,
17 that is being used for residential purposes, and that was constructed before January 1,
18 1962.

19 ~~(f)~~(g) Riparian corridor: The area adjacent to a waterway, consisting of the area of
20 transition from an aquatic ecosystem to a terrestrial ecosystem. The riparian corridor
21 boundary is measured:

- 22 (1) Fifty feet horizontally from the top of bank on each side of a waterway with
- 23 less than 1,000 cubic feet per second average annual stream flow; and
- 24 (2) Seventy five feet horizontally from the top of bank on each side of a
- 25 waterway with 1,000 or more cubic feet per second average annual stream flow
- 26 (Willamette River).

27 ~~(g)~~(h) Riparian restoration: Actions undertaken to improve degraded, or recover lost,
28 ecological or habitat functions in the area adjacent to a waterway in the zone of transition
29 from an aquatic ecosystem to a terrestrial ecosystem, determined by the City to provide
30

1 net ecological benefits, not reduce the stream’s capacity to convey flood flows in a flood
2 plain or flood way, nor pose an impediment to fish passage.

3 ~~(h)~~(i) R-VIS: The percentage of light in the visible spectrum, 380 to 780 nanometers,
4 that is reflected from the glass surface. R-VIS is also known as visible light reflectance.

5 **Section 21.** SRC 111.095 is amended to read as follows:

6 **111.095. “S” Definitions.**

7 (a) Scrap and waste materials dealers: Establishments primarily engaged in the
8 assembling, breaking up, sorting, and wholesale distribution of scrap and waste materials.

9 (b) Screening: A method of blocking or obscuring view of an area through the use of
10 fencing, walls, berms, densely planted vegetation, of a combination thereof.

11 (c) Setback: The distance between a building, accessory structure, vehicle use area, or
12 other structure or area and a property line, special setback line, flag lot accessway,
13 easement, or other specified point.

14 (d) Shopping center: A group of businesses falling primarily under primarily the Retail
15 Sales and Service use category that form a centralized unit and that have a joint parking
16 area available for use by patrons of any single business.

17 (e) Short-term rental: Short-term commercial lodging where a single family dwelling
18 unit, or guest room(s) within a single family dwelling unit, are rented to overnight guests
19 on a daily or weekly basis for periods of less than 30 consecutive days. For purposes of
20 this definition, a dwelling unit within a condominium is considered a single family
21 dwelling unit.

22 ~~(e)~~(f) Single family dwelling: A detached freestanding dwelling unit located on its own
23 lot.

24 ~~(f)~~(g) Solid waste disposal site: Land used for disposal of solid waste, including lumber;
25 tile; bricks; concrete rubble; siding; roofing; asphalt; structural metal work; plaster and
26 gypsum board; mortar stones; concrete blocks; pipe; plumbing fixtures; electrical wiring
27 and fixtures; and shredded or split tires. A solid waste disposal site does not include land
28 used for the disposal of leaves, prunings, and grass clippings; household appliances;
29 machinery; motor vehicles and parts, other than shredded or split tires; or any putrescible
30

1 substance. Solid waste disposal sites do not involve the collection or storage of items for
2 sale or reuse in any form.

3 ~~(g)~~**(h)** Solid waste transfer station: A fixed or mobile facility normally used as an
4 adjunct of a solid waste collection system or resource recovery system between a
5 collection route and a disposal site, including, but not limited to, a large hopper, railroad
6 gondola, or barge. See ORS 459 and OAR Chapter 340.

7 ~~(h)~~**(i)** Story: The horizontal division of a building, making up the area between two
8 adjacent levels, but excluding that portion of the building that comprises the horizontal
9 division that is the roof, unless that area includes living space.

10 ~~(i)~~**(j)** Stream enhancement: means to modify the stream channel width, length, depth,
11 alignment, location, profile, bank shape, or in-stream structures for the purpose of
12 improving ecological or habitat functions determined by the City to be degraded or lost in
13 the immediate project area, specific stream corridor, or watershed.

14 ~~(j)~~**(k)** Street: A public or private way that is created to provide ingress or egress to one
15 or more lots, parcels, areas, or tracts of land, excluding a private way that is created to
16 provide ingress or egress to land in conjunction with the use of the land for forestry,
17 mining, or agricultural purposes. "Street" includes "highway," "thoroughfare,"
18 "parkway," "throughway," "road," "avenue," "boulevard," "lane," "court," "place,"
19 "loop," "drive," "circle," and other such terms. The term "street" does not include alleys
20 or flag lot accessways.

21 ~~(k)~~**(l)** Street tree: A tree planted in proximity to a street in order to provide canopy over
22 the street, to provide shade, and soften the street environment.

23 ~~(l)~~**(m)** Structural alteration: Any alteration, addition, or removal of any structural
24 member of a building, other than a minor alteration. As used in this subsection:

25 (1) Minor alteration means the alteration, replacement, or repair of a structural
26 member so as not to alter structural integrity or the manner in which structural
27 integrity was achieved before the alteration, replacement, or repair;

28 (2) Structural integrity means the capacity of the building and its component
29 parts, other than non-bearing walls, fixtures, electrical systems, plumbing
30 systems, mechanical systems, openings, and ornamental appendages, to withstand

1 the forces, stresses, and loads which are contemplated in the Oregon Structural
2 Specialty Code for the type of construction involved; and

3 (3) Structural member means any component part of a building which contributes
4 to structural integrity.

5 ~~(m)~~(n) Structure: That which is built or constructed; an edifice or building of any kind;
6 or any piece of work artificially built up or composed of parts joined together in some
7 definite manner; any of which is an addition to or fixture on real property. Such term
8 does not include paving, or mobile homes.

9 ~~(n)~~(o) Subject property: The real property that is the subject of any land use proceeding.
10 For notification purposes, subject property includes not only the real property that is the
11 subject of the land use proceeding for which notice is required, but also any contiguous
12 property in which the applicant or owner holds a legal or equitable interest.

13 **Section 22.** SRC 400.030 is amended to read as follows:

14 **400.030. Household Living.** Household Living consists of the residential occupancy of an
15 owner-occupied or rented dwelling unit on a wholly or primarily non-transient, long-term basis,
16 typically ~~more than 28~~ 30 days or more, by a family.

17 **(a) Single Family.**

18 **(1) Characteristics.** Single Family is characterized by the residential occupancy
19 of a single dwelling unit on an individual lot or space by a family. Single family
20 dwelling units can be detached, attached at the common side lot line, or built
21 contiguous with one side lot line.

22 **(2) Examples.** Single family detached dwelling; zero side yard dwelling;
23 townhouse; manufactured dwelling; manufactured dwelling park; Residential
24 Home, as defined under ORS 197.660; secondary dwelling.

25 **(b) Two Family.**

26 **(1) Characteristics.** Two Family is characterized by the residential occupancy
27 of two dwelling units on an individual lot by two families.

28 **(2) Examples.** Duplex; two family shared dwelling; two dwellings units on one
29 lot.

30 **(c) Multiple Family.**

1 (1) **Characteristics.** Multiple Family is characterized by the residential
2 occupancy of three or more dwelling units on an individual lot by three or more
3 families.

4 (2) **Examples.** Apartments; court apartments; three or more dwelling units on
5 one lot.

6 **Section 23.** SRC 400.035 is amended to read as follows:

7 **400.035. Group Living.** Group Living consists of the residential occupancy of a structure on a
8 wholly or primarily non-transient, long term basis, typically ~~more than~~ 28-30 days or more, by a
9 group of people not meeting the characteristics of Household Living, either because the structure
10 does not provide self-contained dwelling units or because the structure is occupied by a group of
11 people who do not meet the definition of family, or both. Group Living facilities generally
12 include common facilities that are shared by residents, including, but not limited to, facilities for
13 dining, social and recreational activities, and laundry.

14 (a) **Room and Board.**

15 (1) **Characteristics.** Room and Board is characterized by Group Living facilities
16 where no personal care, training, and/or treatment requiring a license from the
17 State of Oregon is provided.

18 (2) **Examples.** Boarding houses; communes; dormitories; fraternities and
19 sororities; monasteries and convents; single-room occupancy housing for long-
20 term residency where self-contained dwelling units are not provided.

21 (3) **Exceptions.** Lodging where tenancy is typically arranged for less than 28
22 days is included in Lodging.

23 (b) **Residential Care.**

24 (1) **Characteristics.** Residential Care is characterized by Group Living facilities
25 where any combination of personal care, training, or treatment is provided to
26 children, the elderly, or individuals with disabilities or limits on their ability for
27 self-care, but where medical care is not a major element.

28 (2) **Examples.** Assisted living facilities; group foster homes for six or more
29 individuals; homes for the deaf or blind; orphanages; Residential Facilities, as
30

1 defined under ORS 197.660; permanent supportive housing facilities where self-
2 contained dwelling units are not provided.

3 **(3) Exceptions.**

4 (A) Residential Homes, as defined under ORS 197.660, are included in
5 Household Living: Single Family.

6 (B) Homeless shelters are included in Lodging: Non-Profit Shelters.

7 (C) Facilities for people who are under judicial detainment with 24-hour
8 supervision and are included in Public Safety: Detention Facilities.

9 (D) In-patient rehabilitation and recuperative care provided in a hospital
10 setting is included in Health Services: Medical Centers/Hospitals.

11 **(c) Nursing Care.**

12 **(1) Characteristics.** Nursing Care is characterized by Group Living facilities
13 that are licensed by the state to provide nursing and rehabilitative care to
14 individuals. Patients in these facilities require varying degrees of nursing,
15 rehabilitative, and personal care, including, but not limited to, the administration
16 of medications and treatments or the supervision of self-administered medications
17 in accordance with a physician's orders.

18 **(2) Examples.** Convalescent homes; hospice care; in-patient rehabilitation and
19 recuperative care; nursing homes; rest homes.

20 **(3) Exception.**

21 (A) Residential Facilities, as defined under ORS 197.660, are included in
22 Group Living: Residential Care.

23 (B) In-patient rehabilitation and recuperative care provided in a hospital
24 setting is included in Health Services: Medical Centers/Hospitals.

25 **Section 24.** SRC 400.040 is amended to read as follows:

26 **400.040. Lodging.** Lodging consists of the occupancy of living or sleeping accommodations on
27 a temporary basis.

28 **(a) Short-Term Commercial Lodging.**

29 **(1) Characteristics.** Short-Term Commercial Lodging is characterized by
30 lodging establishments that ~~are commercially owned and operated and~~ provide

1 ~~living-overnight accommodations to guests for compensation for periods typically~~
2 less than ~~28-30~~ days.

3 **(2) Examples.** ~~Bed and breakfasts; hostels~~Hostels; hotels; inns; motels; short-
4 term rentals.

5 **(3) Exceptions.**

6 **(A)** Accessory short-term rentals are considered accessory to Household
7 Living.

8 **(b) Long-Term Commercial Lodging.**

9 **(1) Characteristics.** Long-Term Commercial Lodging is characterized by
10 lodging establishments that ~~are commercially owned and operated and provide~~
11 living accommodations to guests for compensation for periods typically more than
12 28-30 days or more, but which are not intended to be permanent places of abode.

13 **(2) Examples.** Residential hotel; studio hotel.

14 **(c) Non-Profit Shelters.**

15 **(1) Characteristics.** Non-Profit Shelters are characterized by lodging
16 establishments operated by non-profit organizations that provide overnight
17 ~~sleeping~~-accommodations and temporary shelter for the homeless and other
18 vulnerable populations. Individual bath and cooking facilities may or may not be
19 provided.

20 **(2) Examples.** Homeless shelters; congregate shelters.

21 **(3) Exceptions.**

22 **(A)** Facilities for people who are under judicial detainment with 24-hour
23 supervision are included in Public Safety: Detention Facilities.

24 **Section 25.** SRC 510.005 is amended to read as follows:

25 **510.005. Uses.**

26 **(a)** Except as otherwise provided in this section, the permitted (P), special (S),
27 conditional (C), and prohibited (N) uses in the RA zone are set forth in Table 510-1.

(b) Continued Uses. Existing single family and two family uses, other than manufactured dwellings, within the IG zone constructed prior to February 1, 1983, but which would otherwise be made non-conforming by this Chapter, are hereby deemed continued uses.

(1) Building or structures housing a continued use may be structurally altered or enlarged, or rebuilt following damage or destruction, provided such alteration, enlargement, or rebuilding complies with the standards set forth in SRC 554.010(f).

(2) Cease of occupancy of a building or structure for a continued use shall not preclude future use of the building or structure for a residential use; provided, however, conversion of the building or structure to a non-residential use shall thereafter prevent conversion back to a residential use.

Section 36. SRC 806.005 is amended to read as follows:

806.005. Off-Street Parking; When Required.

(a) General Applicability. Off-street parking shall be provided and maintained as required under this Chapter for:

- (1) Each proposed new use or activity.
- (2) Any change of use or activity, when such change of use or activity results in a parking ratio requiring a greater number of spaces than the previous use or activity.
- (3) Any intensification, expansion, or enlargement of a use or activity.

(b) Applicability to Downtown Parking District. Within the Downtown Parking District, off street parking shall only be required and maintained for uses or activities falling under Household Living.

1 (c) **Applicability to Nonconforming Off-Street Parking Areas.**

2 (1) When off-street parking is required to be added to an existing off-street
3 parking area that has a nonconforming number of spaces, the number of spaces
4 required under this Chapter for any new use or activity, any change of use or
5 activity, or any intensification, expansion, or enlargement of a use or activity shall
6 be provided, in addition to the number of spaces required to remedy the existing
7 deficiency.

8 (2) Notwithstanding subsection (1) of this section, when a property is changed in
9 use to any of the following uses or activities, or any of the following uses or
10 activities are added to a property, any existing deficiency in the number of off-
11 street parking spaces shall not be required to be remedied and only those
12 additional spaces required for the change of use or addition of the new use or
13 activity shall be required:

14 (A) Short-term rental.

15 **Section 37.** SRC 806.015 is amended to read as follows:

16 **806.015. Amount Off-Street Parking.**

17 (a) **Minimum Required Off-Street Parking.** Unless otherwise provided under the
18 UDC, off-street parking shall be provided in amounts not less than those set forth in

14 20 Spaces or Less	2.5 times minimum number of spaces required.
15 More than 20 Spaces	1.75 times minimum number of spaces required.

16 (e) **Reductions to Required Off-Street Parking through Alternative Modes of
17 Transportation.**

18 (1) **Construction of Transit Related Improvements.** When adjacent to transit
19 service, minimum required off-street parking may be reduced by up to 10 percent
20 for redevelopment of an existing off-street parking area for transit-related
21 improvements, including transit stops, pullouts and shelters, park and ride lots,
22 transit-oriented developments, and similar facilities.

23 (2) **Satisfaction of Off-Street Parking through Implementation of a Plan for
24 Alternative Modes of Transportation.** Minimum required off-street parking for
25 uses or activities other than Household Living may be reduced through
26 implementation of a plan providing for the use of alternative modes of
27 transportation to decrease the need for off-street parking. The plan shall be
28 reviewed as a Class 2 Adjustment under SRC Chapter 250.

29 **Section 38.** SRC 806.055 is amended to read as follows:
