false

I have served on the following citizen advisory committees, civic, charitable or other organizations (include dates & length of services)

I have been a Board member on the Alpaca Fiber Cooperative of North America and Secretary on the Board of the California Alpaca Association, both of which are non-profit.

Please explain what you believe you can contribute to the advisory board you are interested in serving on. Be brief, but be as specific as possible.

I have budgetary background and a strong interest in ensuring that the Northgate neighborhood gets its fair share of any revenues.
