Message	<p>Re: Proposed Ice Rink at Riverfront Park, Facility Use Agreement language I'm concerned about the language regarding Insurance, on Page 8, Section E. I don't see anything in this section that requires the Provider to obtain insurance policies that have been approved by the City. I think that should be a requirement. In addition, the Agreement includes the following language: "The PROVIDER shall be financially responsible for all pertinent deductibles, self-insured retention, and/or selfinsurance." This language allows the Provider to choose deductible or retention amounts. I think the City should determine what deductible or retention, if any, should be allowed, based on a review of the Provider's financial resources. Do they have assets that can be tapped in the event they default on their financial obligations? If not, I don't think they should be allowed to have deductibles.
