

Summary of changes to Titles I-IX	
<u>Subject or SRC Section</u>	<u>Proposed Change</u>
"Director"	Replaced reference to a specific department director, i.e., "Public Works Director," with "Director," and defined Director to mean the City Manager, or the individual employee designated by the SRC or City Manager with administration of a particular chapter.
Formatting	Various changes to wording, such as referring to "City" instead of "City of Salem"; "this chapter" instead of "this ordinance"; and reduction in capitalization of terms where not needed.
Updates to legal references	Updated references to Salem, state and federal law.
Related law	Chapters now includes reference to City Charter, state or federal law that relate to the chapter.
"His" and "Her"	Corrects references say "his or her" where appropriate
SRC 2.035	Allows City Manager, instead of Council, to appoint Hearings Officer, consistent with City's practice.
Administrative Services; SRC 2.355-2.380, etc.	Removes references to Administrative Services Department which was consolidated to other city departments in 2016 and refers to "Finance Officer."
SRC chapter 4	Updates municipal court procedures to be consistent with state law.
SRC chapter 11	Clarifies requirements and procedures for elections, initiatives, referrals, and referendums.
SRC 30.300	Revised section to refer to Public Works Design Standards for utility pole location
SRC 30.905	Removes requirement for street vendor pushcart inspections, but retains standards.
SRC 41.160(a)/41.310(a)	Relating to SDC credits; Clarifies that credits are available for certain wastewater and stormwater lines, consistent with state law.
SRC 43.050(a)	Relating to franchises, simplifies City's authority to grant or limit franchises.
SRC 43.055	Relating to franchise applications, simplifies City's authority to impose application fee.
SRC 43.070	Relating to franchise renewals, simplifies franchisee's requirement to reimburse City for costs
SRC 43.270	Relating to franchisee records, simplifies and clarifies that certain franchisee records are deemed confidential.
SRC 43.350 – 43.365	Franchise Violations. Clarifies process and remedies in case of a franchise violation.

SRC 56.003	Adopts additional sections of the State Building Code.
SRC 56.004	Removes reference to State Building Code relating to fire sprinkler system requirements.
SRC 56.019	Deletes requirement for posting an inspection record at work site.
SRC 58.003.	Delete references to state fire code relating to fireworks.
SRC 58.004(f)	Deletes option for Council to "call up" review of appeals of certain Fire Marshall decisions.
SRC 58.010	Delete sections allowing Fire Marshall to order utilities to be disconnected to protect life, health and safety.
SRC 58.029	Deletes appeal process for Fire Marshall decisions.
SRC 76.005	Relating to streets, deletes definition of "interested person," "owner," and "vision clearance area."
SRC 92.005	Relating to gambling, eliminates adoption of various state gambling laws.
SRC chapter 95 & 96	Criminal Violations. Revises various offenses to make Code language consistent with state law; Repeals various offenses that have been found to be unconstitutional; and repeals archaic violations related to trains.
SRC chapter 97	Human Rights. Updates language to be consistent with state law.
SRC 101.060, 101.070	Eliminates certain motorcycle offenses as redundant with other state and City laws.
SRC 101.100	Creates definition of "bicycle" consistent with state law.
